HONORABLE CITY COUNCIL

RE: Neighborhood Enterprise Zone Certificate Application for the construction of a new single-family house at 2819 16th Street in the North Corktown Neighborhood Association and North Corktown Equitable Housing Initiative Neighborhood Enterprise Zone area (RECOMMEND APPROVAL)

The office of the City Clerk forwarded to the City Planning Commission (CPC) an application requesting a 15-year Neighborhood Enterprise Zone (NEZ) certificate for the construction of a single-family house located at 2819 16th Street.

The petitioner for the certificate is the North Corktown Neighborhood Association, a non-profit corporation that is focused on establishing and preserving affordable housing options for North Corktown residents.

The subject property is vacant land on the west side of 16th Street between Perry and Temple Streets. The petitioner is proposing a community land trust to encourage affordable housing. Overall, the petitioner is proposing to develop the subject area with 7 single-family houses and 2 duplexes.

A summary of the subject request includes the following:

Address	Square Footage	# Bedrooms & Bath	Unit cost to build/renovate	Estimated sale price
2819 16 th St.	1,498 sf	3 bedrooms 2 bathrooms	\$676,592*	\$257,556

* The petitioner indicates the overall cost is \$676,592 which includes the house, as well as infrastructure improvements.

Regarding affordability, the petitioner indicates the community land trust will sell this house to buyers with incomes ranging from 50% to 80% Area Median Income (AMI). Regarding parking, a single care detached garage is proposed to be built at the rear of the site. Regarding accessibility, the petitioner indicates the proposed house is part of a broader project that includes one barrier-free house.

The subject property has been confirmed as being within the boundaries of the North Corktown Neighborhood Association and North Corktown Equitable Housing Initiative Neighborhood

Enterprise Zone area, which was established by City Council in January 2025, and should be eligible for NEZ certificates under the State NEZ Act (Act 147 of 1992) as currently written.

The petitioner indicates the building permit was applied for on July 11, 2024, and issued on August 22, 2024. The NEZ certificate application was submitted to the City Clerk's office on February 18, 2025. State law requires the certificate application be filed before the building permit is issued, unless the City Council notes in the approving resolution that the application was filed not later than 6 months following the date of the building permit being issued.

CPC staff have reviewed the application and recommend approval. Attached is a resolution for Your consideration. Please contact our office should you have any questions.

Respectfully submitted,

Marcell R. Todd, Jr., Director CPC
Christopher J. Gulock, Deputy Director CPC
