Re: Termination of the 1250 Hubbard Brownfield Redevelopment Plan

Dear Honorable Council Members:

The 1250 Hubbard Brownfield Redevelopment Plan (the "Plan") was approved by City Council on June 20, 2003. The legal descriptions for the subject Plan are attached (Exhibit A).

At the regularly scheduled March 12, 2025 DBRA Board of Directors meeting, DBRA staff recommended termination of the Plan on the basis that the project has failed to occur in accordance with Section 14(8)(b) of Act 381. The DBRA subsequently adopted a resolution (Exhibit B) approving the termination of the Plan and authorizing the submission of a copy of its resolution to request that City Council adopt a resolution terminating the Plan.

The DBRA, as authorized by City Council, sent a notification of termination of the Plan (Exhibit C) in accordance with Section 14(8)(b).

Authority's Request

The Authority is respectfully requesting the following action from the City Council:

a.) May 6, 2025

Referral of the resolution terminating the Plan to Detroit City Council Planning and Economic Development Standing Committee on May 8, 2025.

b.) May 8, 2025

Consideration of the City Council's Planning and Economic Development Standing Committee to terminate the Plan and opportunity for the Developer to be heard during public comment.

Exhibit A Legal Descriptions of Plan to be Terminated

II. GENERAL PROVISIONS

A. Description of Eligible Property (Section 13 (1)(g))

The property comprising the eligible property consists of an existing forty-unit apartment building located on three lots in the City of Detroit. Exhibit A includes a site map of each parcel. The property information is as follows:

Ward/Item # 14/000224

Property Address 1250 Hubbard <u>Legal Description</u> S Porter 3 thru 1 RA Newmans SUB L21 P86 Property Owner James Hobbs

The project entails the complete rehabilitation of an existing vacant forty-unit apartment building. There is a possibility that some of the units will be combined within the building, resulting in 30-40 units in the building after rehabilitation. The scope of work for renovations includes the following: new hot water piping for hot-water heat (the existing boiler was installed in the 1980's and should be adequate), new copper domestic hot and cold water plumbing, new electrical wiring, new windows, new cabinets and counters, new appliances, new roof, new floor coverings, repair all plaster/drywall, and paint the entire interior of the building.

The eligible property will include all tangible personal property to be located on the real property.

The parcels and all tangible personal property located thereon will comprise the eligible property and is referred to herein as the "Property."

B. Basis of Eligibility (Section 13 (1)(g) and Section 2 (l))

The property is considered "eligible property" as defined by Act 381, Section 2 because (a) the property was previously utilized for a residential purpose; (b) it is located within the City of Detroit, a qualified local governmental unit; and (c) the Property is determined to be functionally obsolete as defined by Act 381.

The building was built in 1928 as the "Whitedel" apartments. The current owner of the building, James Hobbs, purchased the property in 1980, and over the last 22 years occupancy rates have declined and the building has fallen into disrepair. Within the last two years the building lost the few remaining tenants and became vacant. Currently, the building is outdated and all systems need to be replaced. Further description of its eligibility is outlined below.

Functionally Obsolete

- The current unit configuration does not meet market demand.
- All of the systems must be replaced.

To whom it may concern:

Per Act 381 of 1996 Section 14 (8)(b), this letter is to inform you that the Detroit City Council has authorized this notice to inform you that termination of the Brownfield Plan for the 1250 Hubbard Redevelopment Project (the "Plan") will be considered in no less than thirty ("30") days.

On May 7, 2003 the DBRA adopted and on June 20, 2003 the Detroit City Council approved the Plan.
