HONORABLE CITY COUNCIL

RE: RECOMMENDATION FOR DEFERRAL

ADDRESS: 1594 Cadillac

Owner: Cadillac FDR LLC

Demolition Ordered: May 7, 2015

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on February 24, 2025, revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. **This is the 1st deferral request for this property.**

Therefore, we respectfully recommend that the demolition order be deferred for a period of six months subject to the following conditions:

1. **A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.**
2. **BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.**
3. **The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:**
 - **Certificate of Acceptance related to building permits**
 - **Certificate of Approval as a result of a Housing Inspection**
 - **Certificate of Compliance, required for all rental properties**
4. **The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).**

5. **The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.**

6. **Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.**

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

Arthur Rushin
Chief Enforcement Officer
Property Maintenance
