

**TESTIMONIAL RESOLUTION FOR EPIC HEALTH
SUBMITTED BY COUNCILMEMBER FRED DURHAL**

WHEREAS EPIC Health is a family-owned, multi-specialty network of primary care practices with numerous locations throughout Southeast Michigan. Since its founding in 2000, EPIC Health has been dedicated to delivering high-quality, comprehensive healthcare with a focus on innovation, complex care, and prevention, aspiring to lead globally in these areas; **and**

WHEREAS Founded by Drs. Greg and Ted Naman, EPIC Health plays a vital role in advancing health equity by providing compassionate, high-quality care to Detroit's most underserved communities. Under the Naman brothers' visionary leadership, the organization is redefining healthcare through innovative, community-driven outreach and services; **and**

WHEREAS EPIC Health has been actively rebranding to better meet community needs, embracing a holistic model of care. In response to the growing demand for mental health services, the organization has significantly expanded its behavioral health offerings. Their forward-thinking approach includes transforming clinics into "Help Centers" that address not only medical needs, but also essential social determinants of health such as housing, food insecurity, transportation, and employment. To ensure accessible and integrated care, EPIC Health has brought specialties like cardiology, endocrinology, and women's health directly into their centers; **and**

WHEREAS EPIC Health's initiatives have had a measurable impact on the well-being of Detroit residents. By breaking down barriers to care and building deep community trust, the organization has improved health outcomes and empowered individuals to take control of their health. The enduring legacy of the Naman brothers continues to inspire future healthcare leaders and champions of equity.

NOW, THEREFORE, BE IT

RESOLVED That Honorable Councilmember Fred Durhal and the Detroit City Council proudly recognize and congratulate **EPIC Health** on the opening of their newest "Help Center" located in District 7 in the City of Detroit. This facility represents a continued commitment to delivering comprehensive, community-focused healthcare to Detroiters.
