**Re: FY 2024-2025 Year-End Close Transfers and Budget Amendments Resolution**

Honorable Detroit City Council Members:

The Administration is respectfully requesting approval of the attached resolution authorizing appropriation transfers and budget amendments to facilitate a deficit-free year-end close for Fiscal Year 2024-2025. Under Public Act 2 of 1968 (the "Uniform Budgeting and Accounting Act") and the 2012 Detroit City Charter, the City cannot incur expenditures in an appropriation account in excess of the amount appropriated by the Detroit City Council.

Similar to prior years, the Office of Budget is requesting limited authority to transfer unencumbered appropriation balances and make budget entries in fiscal year 2024-2025 to ensure final expenditures do not exceed their appropriations. Transfers will net to zero across appropriations.

Other budget entries authorized by this resolution will be for technical year-end accounting entries required under Governmental Accounting Standards Board (GASB) rules, the appropriation and consolidation of prior bond fund balances for capital projects to help facilitate closeout, and an increase of the Installment Purchase Agreement by \$2m to accommodate the purchase of new printers for the City. Per the resolution, the Office of Budget will report to City Council all final actions taken under this resolution.

Best regards,

Donnie Johnson  
Deputy Budget Director
