Honorable City Council:

RE: Petition No. x2025–134 The City of Detroit Department of Public works request for a vacation, with reserve of a utility easement of Lahser Road lying northerly of Joy Road, 120 ft. wide and lying southerly of Rouge River.

Petition No. x2025–134 The City of Detroit Department of Public works request for a vacation, with reserve of a utility easement of Lahser Road, 66 ft. wide lying northerly of and adjacent to Joy Road, 120 ft. wide and southerly of Rouge River.

This petition comes as part of a right of way clean-up effort vacating right of way that is within the parcel commonly known as 21800 Joy Road also known as Rouge Park. The purpose of this vacation with an easement is to correct the record of Lahser Road being public right-of-way that is within the Detroit Parks & Recreation parcel 21800 Joy Road.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW. Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution. All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
