DFD EMS BILLING SERVICES EMERGENCY

Pursuant to Section 17-5-91 c, The Purchasing Director, without prior approval of the City Council, may make, or authorize others to make, an emergency procurement when public exigencies require the immediate delivery of articles or performance of services or when there exists a threat to public health, welfare or safety under emergency conditions where prior approval of the City Council would be impossible or impracticable under the circumstances.

The contract listed was entered into and granted by the CPO, as noted, to avoid disruption of EMS Billing Services, which are subject to timeliness requirements and are necessary for critical revenues supporting the City's emergency medical response operation, while the new contract was being finalized.
