DEPARTMENT: Public Works - Administration  
FILE NUMBER: Public Works - Administration-0089

---

**\* RE:**

Submitting reso. autho. to approve Intergovernmental Agreement with Wayne County for Hamtramck Drive improvements.

**\* SUMMARY:**

The Department of Public Works (DPW) is in the process of upgrading roads around the Mount Elliott Industrial Zone to support job creation and industrial development. The work includes improvements to Hamtramck Drive, which is a Wayne County road, partially located in the City of Detroit, and partially located in the City of Hamtramck. DPW is seeking to enter into a funding agreement with Wayne County to pay for costs associated with work on the county road Hamtramck Drive. These improvements will be completed by DPW and will result in an all-seasons truck route as well as a critical linkage of the Joe Louis Greenway that will be constructed concurrently along this stretch of Hamtramck Drive.
