## Cleanup Plan for Michigan Central Station:

### **1. Pre-Event Setup**

- Coordinate with waste management vendors to place sufficient trash, recycling, and compost bins throughout the venue, especially near food areas, high-traffic spots, and exits.
- Brief staff and volunteers on waste separation protocols to minimize contamination and ensure proper disposal practices.

### **2. During the Event**

- Assign dedicated staff or volunteers to monitor waste bins and replace bags as needed, preventing overflow and maintaining a clean environment.
- Encourage festival-goers to dispose of waste properly through signage and announcements, highlighting eco-friendly practices like recycling and composting.

### **3. Post-Event Cleanup**

- Schedule a comprehensive waste pickup and disposal service immediately after the event, including separate collection for recyclables, compostables, and landfill waste.
- Conduct a final sweep of the venue and surrounding areas, ensuring all trash is removed, and restore the space to its original state.
- Review cleanup practices with the team to identify improvements for future events, including waste reduction and efficient disposal methods.

## Communication and Community Impact Plan

### 1. Event Promotion:

- **Detroit Auto Dealers Association Communications Team:** Total Access Events will collaborate with the Detroit Auto Dealers Association Communications Team to create and manage social media posts for the event.
- **Social Media:** Regularly post event updates, and behind-the-scenes content, and engage with the community on platforms like Facebook and Instagram.
