**\* RE:**

Submitting report related to: Proposed Ordinance amendment on 50% Allocation Elected Offices

**\* SUMMARY:**

The separate allocation would occur only in an election year to ensure equal funding for newly elected officials. In an election year for City of Detroit offices, the budget appropriation would provide 50% in a budget allocation for the first six months of the fiscal year and 50% would be separately allocated for the final six months of the fiscal year. LPD submits this draft amendment to the Detroit City Council for referral to the Law Department for review and approval as to form.
