August 21, 2025

Detroit City Council
Coleman A. Young Municipal Center
2 Woodward Ave Suite 1340
Detroit, MI 48226

RE: Request for the Establishment of a Commercial Facilities Exemption Certificate at 4306, 4330, 4340 East Davison, Detroit, MI 48212

Honorable City Council:

Paragraph #01

Please accept this letter as a request to establish a Commercial Facilities Exemption Certificate for the property located at **4306, 4330, 4340 East Davison Detroit, MI 48212** and described in Attachment A.

EPIC Health has purchased the parcels located at 4306, 4330, and 4340 East Davison, Detroit, MI 48212. The proposed medical center project is being developed in coordination with a planned multifamily housing development. To meet the parking requirements for the medical center, a portion of land currently zoned for residential use will need to be repurposed for parking. EPIC Health holds an option to purchase this residentially zoned land from the Detroit Land Bank.

Paragraph #02

[MCLS § 207.655](#) allows for tax incentives related to this project.

EPIC Health as ownership of the vacant lots that are part of this project.

Paragraph #03

EPIC Health was founded by two physician brothers who grew up in the City of Detroit and have dedicated over 25 years to providing primary care services to the community. With more than 40,000 attributed lives, EPIC Health is a mission-driven organization committed to serving marginalized and underserved populations.

EPIC Health has operated at its East Davison location for many years, currently serving over 4,000 patients in that community alone. However, the existing leased facility is no longer adequate to meet the needs of patients or staff. The building has deteriorated significantly due to the landlord's failure to maintain the property or bring it into

compliance with building codes. Despite extensive efforts, EPIC Health has been unable to identify a suitable alternative location in the area.

To continue delivering high-quality care, EPIC Health proposes the construction of a new, purpose-built medical center. The new facility will be approximately 7,000 square feet and will include 15 exam rooms, as well as dedicated spaces for behavioral health services, ultrasound, physical therapy, and laboratory diagnostics.

Paragraph #04

EPIC Health affirms that the rehabilitation of the facility is contingent upon the receipt of the exemption certificate. Without the issuance of this certificate, the rehabilitation project would not be financially feasible and, therefore, will not be undertaken.

Tax relief is necessary in order to proceed with the project.

The current medical office has approximately 11 full-time employees. This new facility will have up to 25 full-time employees.

The capital investment project consists of demolition, construction of a new medical office building, and purchasing of new equipment. The project will be financed through a CDFI lender, among other options. The letter of intent is attached as Exhibit C.

Paragraph #05

The exemption is requested for 10 years.

Paragraph #06

The exemption is expected to provide significant short-term and long-term economic benefits to the City of Detroit. In the short term, the project will stimulate local economic activity through construction-related jobs, the use of local contractors and suppliers, and increased demand for nearby goods and services. The rehabilitation of the facility will revitalize underutilized property, enhance neighborhood aesthetics, and improve access to essential health services.

In the long term, the project will serve as a stabilizing anchor in the community, attracting further investment and encouraging the redevelopment of surrounding properties. It will support job creation, generate sustained economic activity, and contribute to the overall health and well-being of Detroit residents. Additionally, the facility will continue to provide employment opportunities and essential services to underserved populations, reinforcing the city's long-term strategic goals for economic equity and public health.

EPIC

g l o b a l c o m p l e x c a r e a n d
p r e v e n t i o n c e n t e r s

18000 W Nine Mile rd. | Suite 200 | Southfield, Michigan

The exemption will help offset the high upfront costs of development, making the project financially viable. Without it, the project would not proceed. By enabling this investment, the City of Detroit can benefit from a ripple effect of increased economic engagement, property value stabilization, and improved quality of life in the surrounding area—outweighing the temporary reduction in tax revenue during the exemption period.

EPIC Health plans to seek other public assistance from local and state resources, however the tax abatement is the first effort as it comes so early in the development process.

Paragraph #07

EPIC Health is deeply committed to serving the citizens of Detroit for generations to come and plans to continue expanding its network of primary care centers throughout the city. With support from the City, EPIC Health can ensure that Detroit residents have consistent access to high-quality, community-based healthcare—right in their own neighborhoods.

ATTACHMENT A
4306, 4330, 4340 East Davison Detroit, MI 48212

- (a) The site consists of three parcels with one building.

The subject property is improved with one, single-story building containing approximately 2,766 square feet constructed in 1946.

Historical review indicates the subject property was occupied by an automotive and truck repair facility (4306 East Davison Street) from at least 1949 through 1977, an undercoating operation (4320/4330 East Davison Street) from at least 1951 through 1977, and a lithographic plate production operation (4340 East Davison Street) from at least 1968 through 2001.

- (b) General description of the proposed use of the rehabilitated facility;

This project involves the development of a new primary care physician office for EPIC Health. The facility will provide comprehensive services, including laboratory testing, X-rays, and instant video consultations with specialists. EPIC Health is committed to delivering a fully integrated healthcare model, particularly focused on serving underserved communities.

The new medical center will replace an existing leased facility that no longer meets the needs of patients or staff. The current building has deteriorated due to the landlord's failure to maintain it or ensure compliance with building codes. Despite efforts, EPIC Health has been unable to find a suitable alternative location nearby to continue providing quality care to its patients.

- (c) Description of the general nature and extent of the rehabilitation to be undertaken;

The existing building will be demolished and a new structure will be constructed. The new medical office building will be approximately 7,000 square feet and service Epic Health's current 4,000 patients from the local community. The new building will have exam rooms for primary care, laboratory, x-ray, mammography, ultrasound, physical therapy, and behavior health.

- (d) A descriptive list of the fixed building equipment that will be a part of the rehabilitated facility'

None

- (e) A time schedule for undertaking and completing the rehabilitation of the facility

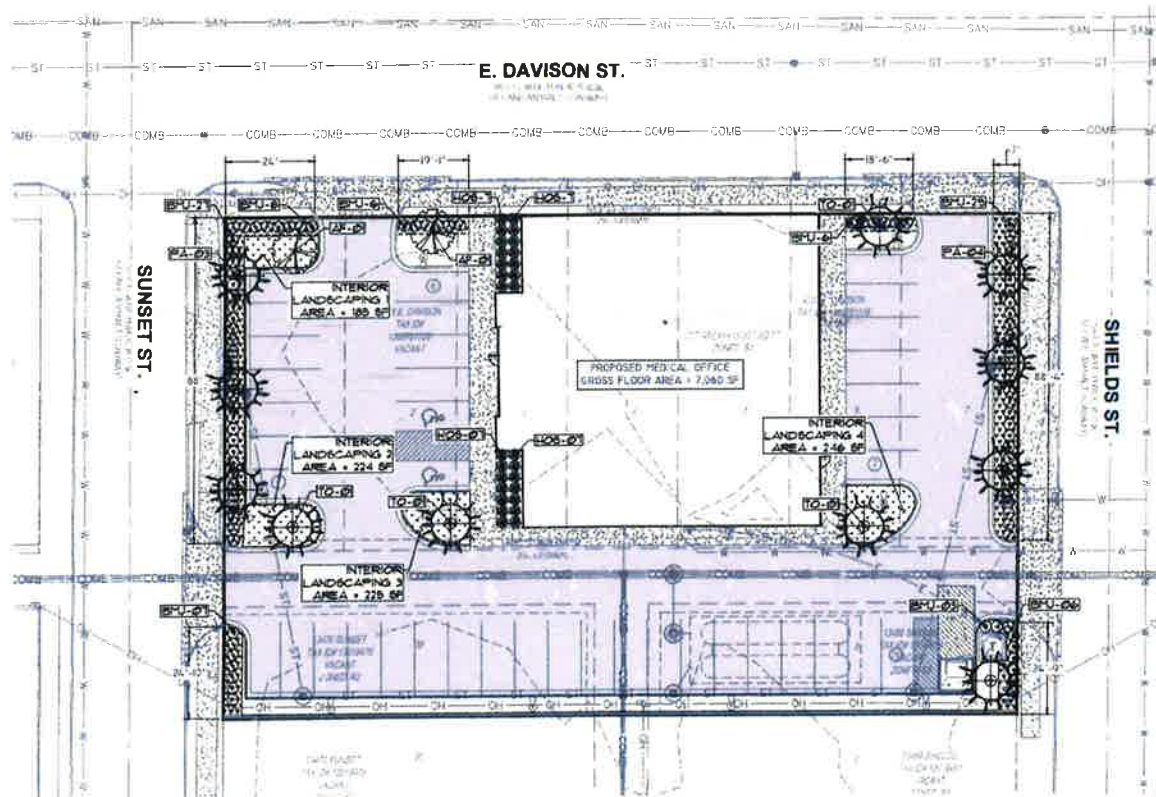

12-16 months

(f) The parcel ID(s) and Legal Description(s) of the property.

Instructions for Completing Form 4757

Application for Commercial Facilities Exemption Certificate

The Commercial Facilities Exemption Certificate was created by Public Act 255 of 1978, as amended. Applications for a certificate of exemption are filed, reviewed, and approved by the Local Governmental Unit (LGU). A copy of the certificate is filed with the State Tax Commission.

Owner / Applicant Instructions

1. Complete Parts 1, 2 and 3 of the application. Restoration, replacement, or construction may commence **after** establishment of a district.
2. The following must be provided to the LGU as attachments to the application:
 - a. General description of the facility (year built, original use, most recent use, number of stories, square footage).
 - b. General description of the proposed use of the facility.
 - c. General description of the nature and extent of the restoration, replacement, or construction to be undertaken.
 - d. Legal description of the facility.
 - e. Descriptive list of the fixed building equipment that will be a part of the facility.
 - f. Time schedule for undertaking and completing the restoration, replacement, or construction of the facility.
 - g. Statement of the economic advantages expected from the exemption.
3. After reviewing Parts 1, 2, and 3 for complete and accurate information, sign the application where indicated.

LGU Assessor Instructions

1. Complete Part 4 of the application.
2. After completing Part 4, sign where indicated to certify that if approved, the property will appear on the Commercial Facilities Exemption specific tax roll only.

LGU Clerk Instructions

1. After the LGU passes a resolution approving the application, complete Part 5 of the application. A resolution template with required statements can be found at www.michigan.gov/propertytaxexemptions.
2. After reviewing the application for complete and accurate information, sign the application to certify the application meets the requirements as outlined by Public Act 255 of 1978, as amended.
3. Issue a certificate to the applicant using the certificate templates found at www.michigan.gov/propertytaxexemptions.
4. If in Part 1 the applicant did **not** wish to be considered for the State Education Tax exclusion, submit only a copy of the Certificate to the State Tax Commission at the address given below.
5. If in Part 1 the applicant did wish to be considered for the State Education Tax exclusion, submit a copy of the certificate, application and attachments to the State Tax Commission at the address given below.
