RE: Request to Accept and Appropriate the Alternative Environmental Mitigation Grant

Honorable City Council:

The Michigan Department of Transportation has awarded the City of Detroit Housing & Revitalization Department with the Alternate Environmental Mitigation Grant for a total of \$500,000.00. There is no match requirement.

The objective of this award is to provide environmental mitigation activities in the Delray neighborhood of Southwest Detroit. The funding allotted to the department will be used for initiatives such as a tree giveaway and the distribution of window air-conditioners for eligible residents. The program will be administered by the Housing and Revitalization Department's Bridging Neighborhoods division.

If approval is granted to accept and appropriate this funding, the appropriation number is **21617**.

We respectfully ask your approval to accept, set-up and appropriate funding in accordance with the attached resolution.
