Subject: [EXTERNAL] Rivertown BIZ

Ladies and Gentlemen of Detroit City Council,

It is important to note:

1. The proposed BIZ builds on effective public policy proven in Detroit
2. The majority of property owners of the district want to hold a vote about this opportunity
3. This is a real chance to improve the quality of life metrics for the citizens in this district

I urge you to push forward the opportunity for property owners to vote on the Rivertown Business Improvement Zone.

Thank you

Jim Nicholson
