ISSUE:

Based upon a legal review, should the request for legal representation in this matter be approved?

DISCUSSION:

The lawsuit filed by Ashley Looper stems from a series of events that allegedly occurred May 25, 2023, in the Greektown area of Detroit. According to the Plaintiff, Detroit Police officers stopped her on two separate occasions on the same day. During these interactions, she received citations, one for disorderly conduct and another for public intoxication. Later that same evening, Plaintiff was arrested for possession of a firearm. Following the arrest, officers transported her to Detroit Receiving Hospital for a mental evaluation, and subsequently to the Detroit Detention Center.

The complaint alleges that Officers Bianca Mosley, Laterian Bell, Christopher Masalskis and Detective Jennifer Adams violated her constitutional rights under the Fourth and Fourteenth Amendment rights. Specifically, she claims unlawful arrest, excessive force, including tight handcuffing and refusal to loosen cuffs despite her complaints, failure to administer Miranda rights, an illegal search of her residence, involuntary medical and psychiatric evaluation and detention without probable cause or legal justification.

The Plaintiff's complaint also alleges that all criminal charges from the May 25, 2023, incident were ultimately dismissed in their entirety, which she asserts confirms the absence of probable cause and the unlawful nature of her arrest and detention.

Officer Bianca Mosley's report indicates that Plaintiff was detained, cited, and released twice earlier in the day prior to the arrest for a firearm possession. While on patrol near Monroe and Saint Antoine Streets, Officer Mosley observed the Plaintiff walking east on Monroe Street. Upon activating her vehicle's emergency lights and exiting the patrol car, she instructed the Plaintiff to raise her hands. At that point, she observed what appeared to be a holstered firearm partially

concealed beneath the Plaintiff's jersey at her waistband. Due to the Plaintiff's agitated and irate behavior, Officer Mosley transported her to Detroit Receiving Hospital for a mental health and alcohol screening.

Officer Laterian Bell reported that while patrolling the same area, his partner, Christopher Masalskis, observed the Plaintiff walking westbound on Monroe Street with what appeared to be a weapon. Upon attempting to detain her, they recognized her as the same individual previously cited earlier that day for disorderly conduct. Bell noted that during the earlier incident, the Plaintiff had been instructed not to return to Greektown for the remainder of the evening due to a fight.

Despite that instruction, the Plaintiff returned and was arrested for firearm possession without a CPL. During transport, the Plaintiff began complaining of rib pain and difficulty breathing, prompting officers to divert to Detroit Receiving Hospital for medical clearance. Officer Bell also documented that the Plaintiff was yelling and behaving erratically during transport, leading him to request a mental health check at the hospital.

Officer Masalskis corroborated the same account. He reported observing the Plaintiff with what appeared to be a weapon on her outer waistband. When questioned about her return to the area, despite earlier orders to stay away, the Plaintiff explained that she was searching for her phone and chain, which she claimed were lost during the fight earlier that day.

After placing the Plaintiff under arrest, Officer Masalskis noted that the plaintiff began complaining of rib pain in the back of the scout car. He transported her to Detroit Receiving Hospital, where she was medically cleared, and then to the Detroit Detention Center.

Officers Mosley, Bell, and Masalskis each documented that earlier in the day, the Plaintiff informed Officer Mosley that she was a CPL holder. She allegedly made threatening statements during that interaction, including "If I had my gun, I would've killed all four of them."

It is further alleged in the officer's reports that the Plaintiff continued to make threatening remarks indicating an intent to retaliate against both the involved parties and the officers present at the scene.

To: Chief of Police Todd A. Bettison

Subject: **LEGAL REVIEW OF REQUEST FOR LEGAL REPRESENTATION IN LAWSUIT FILED BY ASHLEY LOOPER, CIVIL ACTION NUMBER: 2:25-CV-1145-MFL-EAS**

From: Second Deputy Chief Grant Ha

LEGAL ANALYSIS

In the state of Michigan, a partially concealed firearm, such as the one the Plaintiff had on her waistband partially covered by her jersey is considered concealed and individuals must hold a valid CPL to legally carry it in this manner. The Plaintiff does not possess a CPL. Officers observing the firearm in a concealed manner gave them probable cause to arrest the Plaintiff.

There is no documentation, body worn camera footage, or warrant records indicating that any officers conducted a search of the Plaintiff's residence.

Officers documented that the Plaintiff was verbally agitated, made threatening statements, and claimed medical distress. The transport to Detroit Receiving Hospital appears to be based on both medical concerns and disorderly conduct.

RECOMMENDATION:

I recommend that the Chief of Police approve representation for Officer Laterian Bell and Chris Masalskis. Both officers were acting in good faith at the time of the incident.

Hello,

Upon the 2nd interaction with the individual that evening which resulted in arrest, I did not see on the BWC of roughly 1 hour and 17 minutes where either of the three officers read Miranda. There is a about 4-5 hour span at the DMC where there is no BWC of the interaction. The BWC picks back up on the way to the DDC, and no Miranda was heard then either. Also, at no point and time during this interaction did either of the officers go to the individual's residence on the BWC.

Good Morning,

I need assistance in reviewing the Ashley Looper V COD, Civil Action- 25-11145, LIT-0001. It shows that you are the assigned staff member for this assignment.

I attempted to access the body camera footage uploaded to box; however, I am currently unable to view the files due to access restrictions or limited viewing permissions. Could you please clarify if there is footage specifically relating to any alleged search of the Plaintiff's residence?

The complaint alleges that Ms. Looper was arrested near Greektown and that her home was illegally searched thereafter. However, there is no reference to any search of her residence in the officers' narratives or daily logs.

I really appreciate your assistance and hope that you and the team are doing well!

Thank you,

I do show that this is a street investigation off of Monroe St but because of the allegation in the complaint I needed to get confirmation.

SYNOPSIS OF INCIDENT/CITATION OF APPLICABLE RULES, LAW OR PROCEDURES/OTHER PERTINENT INFORMATION

On May 25, 2025, Police Officers Bianca Mosley, badge 3836, Laterian Bell, badge 379, and Christopher Masalskis, badge 4044, while on routine patrol in the area of Monroe and Saint Antoine came into contact with Ms. Ashley Looper regarding (2) two separate incidents.

The first incident occurred at approximately 9:15pm when Police Officers Mosley, Bell, and Masalskis were assisting other officers in the area with a large fight in progress. Ms. Looper was detained by the officers, investigated, and released after being issued a citation for disorderly conduct. Ms. Looper was advised at that time to leave the area.

The second incident occurred at approximately 11:26pm when Police Officers Mosley, Bell and Masalskis observed Ms. Looper still in the area after being advised to leave. Police Officer Mosley observed what appeared to be a handgun in Ms. Looper's waistband and removed a Smith and Wesson M&P .45 cal. from her waistband, after investigating. Ms. Looper was detained and arrested for carrying a concealed weapon.

Police Officers Mosley, Bell, and Masalskis were on duty in a marked scout car lawfully patrolling the Greektown area. The officers were lawfully present in the area of Monroe and Saint Antoine performing their duties as police officers within the guidelines set forth by the Detroit Police Department Manual.

Ms. Looper was investigated in the area of Monroe and Saint Antoine for being involved in a large group fight in the area which caused a disturbance, which is a direct violation of the City of Detroit Ordinance Section 31-5-1, Disorderly Conduct, which states, "No person shall make or assist in making, any noise, disturbance, or improper diversion, by which the peace and good order of the neighborhood is disturbed." The Officers were all on scene acting in good faith in the performance of their duties. They were acting within the scope of their authority by maintaining the peace and good order of the neighborhood.

Police Officers Mosley, Bell, and Masalskis were investigating Ms. Looper due to the previous contact with her also observing a weapon on her person. The officer's actions are within the guidelines set forth by the Detroit Police Department Manual.

It is to be noted that Sergeant Jennifer Adams, badge S-1419, was the detective assigned the carrying a concealed weapon case. She was not on scene during the incidents.

I find that Sergeant Adams and Officers Mosley, Bell, and Masalskis acted within the scope and authority of their employment and good faith performance of their duties. Therefore, I recommend they be represented by the City of Detroit.

 NO FORCE USED

While on patrol with my partners (Officer Bell and Officer Masalskis) and I in the area of Monroe and Saint Antoine, I observed Ashley Looper, a Black female born on January 26th, 1997, walking east on Saint Antoine towards Monroe. Crew and I initiated our vehicle's lights and exited the vehicle, then asked Looper to raise her hands. I observed that Looper had a holstered firearm in her waistband, which appeared to be partially covered by the jersey she was wearing. I then removed a Black, M&P, 45 caliber, serial HLY2869 handgun from her waistband and took it to our scout. There, I removed one seven round magazine and racked out one live round from the chamber.

After removing the firearm from Looper's waistband, she was detained and placed into the back of our vehicle. It's worth noting that Looper had been detained, ticketed, and released twice not long before this incident due to her involvement in an altercation between herself and another party at the same location. When I spoke with Looper, she informed me that she was licensed to carry and that her gun was stored in her brother's vehicle. She then made a threatening statement, saying "If I had my gun on me I would've killed all 4 of them." Looper continued to make threatening statements about retaliating against the party and officers on the scene. Due to Looper's hostile behavior and constant yelling she was asked to leave multiple times, but she refused. As a result, she was detained and ticketed a second time for disorderly public intoxication.

My crew and I conveyed Looper to Gratiot and Saint Antoine, where she was released and advised not to return to the area for the remainder of the night. Before Looper was arrested for the weapons offense, she was observed wearing a black sweatshirt with black pants. However, when she was arrested, she changed into a white jersey and hat, which she covered with her hood in an attempt to disguise herself. Upon further investigation, it was discovered that Looper was not a registered CPL holder, despite her earlier claim. As a result, Looper was arrested and conveyed to the Detroit Detention Center without further incident. At the detention center, she was charged with carrying concealed, which is a serious offense.

Due to Looper's irate behavior, she was conveyed to Detroit Receiving Hospital Center for a mental evaluation and alcohol clearance (FIN:680017585224) before being returned to the Detroit Detention Center.

The weapon was placed on evidence at the Eleventh Precinct where it is held, evidence tag number 697311-1.

SCOUT-Greektown 19

On May 25th, 2023, scout was patrolling Greektown heading east on Monroe towards Saint Antoine when my partner (Masalskis) stated that he observed the offender (Ashley Looper) walking west bound on sidewalk of Monroe with a weapon and that the offender was wearing a white Jersey shirt.

I then drove our scout vehicle around Greektown coming back north on Saint Antoine toward Monroe. I observed offender walking south on the sidewalk of Saint Antoine passing by the park vehicles, she was also wearing a hat and a hoodie.

When I got out of my scout vehicle to a detained the offender, I observed the offender's face then realized she was the previous detainee that was issued a citation (ORD#P1463337) for disorderly conduct by my partner (Mosley) for fighting with people in Greektown.

During the citation being issued to the offender, she stated that she would had got her firearm and killed the people she was fighting with then scout advised the offender to leave the Downtown Area. While I was detaining the offender, my partner (Mosley) retrieved a loaded firearm (Smith & Wesson M&P 45) on the right side of the offender's hip.

I placed the offender in the back of our scout vehicle then headed to the Detroit Detention Center but the offender claimed that her ribs were broken and that she couldn't breathe. Scout conveyed the offender to Detroit Receiving Hospital for medical clearance, during our conveyance to the hospital the offender behaved disorderly by constantly yelling at scout, and I requested a medical check for the offender's mental.

Once the offender was cleared from the Hospital, she was conveyed to the Detroit Detention Center without incident.

ARREST MADE*BWC ON****NO FORCE USED*****CCW-PERSON*****WEAPON RECOVERED****

On Thursday May 25, 2023 at approximately 23:30 hours while conducting on view patrol working scout GT19 in full uniform and semi marked vehicle #133079 in the area of Monroe and St. Antoine, I PO Masalskis observed what appeared to be a weapon on the outer waistband of a person wearing a white shirt and I advised my partners on what I saw. We were in motion and I was approximately 20 FT away from the sidewalk in my observation. We came back to the location and PO Bell and PO Mosley started to investigate Ms. Looper near the corner of St. Antoine and Monroe while I kept her friend from interfering with the investigation. Other scouts including us had already detained and ticketed Ms. Looper earlier that day for disorderly conduct. During this investigation Ms. Looper was wearing all black. Ms. Looper then stated to us that she left her gun in her car and that if her gun had been on her she would have killed all four of those bit**es. For this investigation she was now wearing a white Jersey with a baseball cap. When asked why she had returned to the location Ms. Looper stated that she was looking for her phone and chain that she had lost from an incident earlier. My partners stated to me they observed the weapon partially concealed due to the bagginess of Ms. Loopers jersey. Ms Looper was placed into the back of our scout where I maintained custody of her. Ms. Looper began to complain of pain to her ribs so we conveyed her to Detroit Receiving Hospital where she was medically cleared. Ms. Looper was conveyed to the DDC without incident.

 PO L. BELL #379 BWC 002611
 PO C. MASALSKIS BWC 115988
 NO FORCE USED
 MARKED VEHICLE

While on patrol with my partners (Officer Bell and Officer Masalskis) and I in the area of Monroe and Saint Antoine, I observed Ashley Loooper, a Black female born on January 26th, 1997, walking east on Saint Antoine towards Monroe. Crew and I initiated our vehicle's lights and exited the vehicle, then asked Loooper to raise her hands. I observed that Loooper had a holstered firearm in her waistband, which appeared to be partially covered by the jersey she was wearing. I then removed a Black, M&P, 45 caliber, serial HLY2869 handgun from her waistband and took it to our scout. There, I removed one seven round magazine and racked out one live round from the chamber.

After removing the firearm from Loooper's waistband, she was detained and placed into the back of our vehicle. It's worth noting that Loooper had been detained, ticketed, and released twice not long before this incident due to her involvement in an altercation between herself and another party at the same location. When I spoke with Loooper, she informed me that she was licensed to carry and that her gun was stored in her brother's vehicle. She then made a threatening statement, saying "If I had my gun on me I would've killed all 4 of them." Loooper continued to make threatening statements about retaliating against the party and officers on the scene. Due to Loooper's hostile behavior and constant yelling she was asked to leave multiple times, but she refused. As a result, she was detained and ticketed a second time for disorderly public intoxication.

My crew and I conveyed Loooper to Gratiot and Saint Antoine, where she was released and advised not to return to the area for the remainder of the night. Before Loooper was arrested for the weapons offense, she was observed wearing a black sweatshirt with black pants. However, when she was arrested, she changed into a white jersey and hat, which she covered with her hood in an attempt to disguise herself. Upon further investigation, it was discovered that Loooper was not a registered CPL holder, despite her earlier claim. As a result, Loooper was arrested and conveyed to the Detroit Detention Center without further incident. At the detention center, she was charged with carrying concealed, which is a serious offense.

Due to Loooper's irate behavior, she was conveyed to Detroit Receiving Hospital Center for a mental evaluation and alcohol clearance (FIN:680017585224) before being returned to the Detroit Detention Center.

The weapon was placed on evidence at the Eleventh Precinct where it is held, evidence tag number 697311-1.

NO ARRESTS MADE*****
NO FORCE USED*****

On 05/25/2023, my partner and I responded to a call for assistance from an officer at Monroe / Saint Antoine. After we got there, i observed a group of individuals fighting, Unknown unknowingly who is the aggressor or victim. After separating the individuals fightng, i was speaking to Ms. Ashley Looper who was stating that the other group had "jumped" her and he brother so she was defending herself and her brother.

As i was speaking with Ms. Looper, a BF about 5 feet tall, who was in the previous physical altercation, approached us and wanted to fight again calling Ms. Looper names. The BF swung at Ms. Looper with her right hand with a close fist trying to hit her. Ms. Looper was tried to fight back, but Police Officers and myslef broke them apart and I detained Ms. Looper.

I issued a Disorderly ticket to Ms. Looper. ORD# U664-011-23 [05/25/23 23:37:16 Unit: BRAV38]

Looper was detained and later released onto gratiot and saint antoine without further incident [05/25/23 23:09:05 Unit:GT19]

crew made the location to assist, Looper was given an ord for disorderly conduct due to Looper being intoxicated and not willing to leave the location.
