Chief Todd A. Bettison
Detroit Police Department
1301 3rd Street
Detroit, Michigan 48226

Dear Chief Bettison:

We are pleased to inform you the Detroit Police Department (DPD) has been awarded \$40,000 in 2024 Discretionary/Supplemental funding from the Office of National Drug Control Police (ONDCP) to combat fentanyl trafficking and reduce fatal and non-fatal overdoses in Wayne, Oakland, and Macomb counties.

At the December 4, 2024, Michigan HIDTA Executive Board Meeting, the Executive Board approved the recommendation to allocate \$40,000 to southeast Michigan and \$40,000 to western Michigan due to the high number of fatal and non-fatal overdoses occurring in these areas of the state. This funding is a one-time allocation unless we receive additional discretionary/supplemental funding in the future.

This funding will help support the DPD Major Violators Section, which is working in conjunction with the Drug Enforcement Administration (DEA), to combat fentanyl and drug overdoses throughout the City of Detroit and the metropolitan area and is designed to implement the Strategy proposed by the Executive Board of the Michigan HIDTA and approved by the Office of National Drug Control Policy (ONDCP).

In accepting these funds, your DPD Task Force Commander must complete the required quarterly reports and other assessments so the Michigan HIDTA can continue to apply for this funding moving forward. Please understand, these are not funds issued directly to the City of Detroit. These funds may be accessed with appropriate purchase requests to the Michigan HIDTA Financial Section.

If you or your team have any questions pertaining to this award, please contact me or Deputy Director David Molloy at 248.728.3703.

Very truly yours,

Rinaldo Ollie
Executive Director
