RE: 14-26 SMACC

Dear Lt. York:

I am pleased to inform you that your application to the Michigan State Police, Grants and Community Services Division, Auto Theft Prevention Authority (ATPA), has been selected to receive grant funding. With a focus on innovative programs that address auto theft and fraud, your efforts are valued and appreciated. The award for your team/project pending the finalization of the Grant Agreement (contract), is \$2,396,332. The ATPA portion of your award is \$886,643, and the match requirement is \$1,509,689. Further details regarding allowable expenditure are contained in the enclosed grant contract.

Please note that your request for cellular data investigative funding in the amount of \$60,000 was denied by the ATPA Board of Directors. The ATPA will be adding a Digital Forensics Analyst from the Michigan State Police to dedicate 100% of their time for auto theft cases for all auto theft teams. The ATPA is hopeful this will help all auto theft teams with their investigations.

It is crucial that you read through the entire contract to be sure you and your financial officer are aware of and able to abide by the grant requirements. Contract requirements will be enforced. Non-compliance of contract requirements may result in grant suspension and financial penalties. **The deadline for returning your signed contract is September 30, 2025.**

If you have any questions or concerns regarding your award, please contact Mr. Tim Bailor, ATPA Program Coordinator, at BailorT@michigan.gov or 517-256-5207. We look forward to working with you.

II. Contract Conditions and Requirements

Grant Award

The ATPA grant award is to be utilized solely for the benefit of motor vehicle theft prevention programs and initiatives.

The ATPA will only reimburse expenditures incurred during the grant period of October 1, 2025, to September 30, 2026.

The project number (listed above in Award Information) must be included on all correspondence addressed to the ATPA regarding this grant.

A change in authorized official, project director, financial contact, participating agency, personnel assigned to the team, or budget line item change requires a Project Modification Request (GRANTS-034), which can be downloaded from the ATPA website at www.michigan.gov/msp/divisions/grantscommunityservices/atpa.

The authorized official and financial officer will serve without compensation from the ATPA grant award.

Any amount of the grant award received, or forfeiture funds generated as a result of motor vehicle theft prevention activities shall be used to enhance motor vehicle theft prevention programs or initiatives. Forfeiture funds include, but are not limited to, forfeiture of cash and receipts from the sale of property.

Public communications materials, news releases, or training announcements that result from this grant must cite the "Auto Theft Prevention Authority" as the source of funding. Copies of the materials or news releases **must** be sent to the ATPA at least five days prior to publishing, and the ATPA reserves the right to make any necessary edits. The ATPA also has the royalty-free right to copy, publish, and distribute any data or material associated with this grant.

Law enforcement personnel funded by the ATPA grant award shall dedicate 100 percent of their regular work hours conducting ATPA grant-related duties. Prosecuting attorneys who designate a portion of their time for ATPA activities will dedicate 100 percent of their designated time to ATPA grant related duties. This will be reflected in daily logs which will be made available for on-site monitoring by ATPA personnel.

The grantee agrees to return all unexpended grant funds to the ATPA within 60 days after the project is completed. The check shall be made payable to the "State of Michigan."

Reporting

Failure to comply with any reporting responsibilities identified in this contract may result in withholding grant payment(s) or the cancellation of the grant award. The grantee's lack of compliance will also be taken into account when considering future grant applications and awards from the ATPA.

All grantees must comply with the requirements of the Uniform Crime Reporting (UCR) System Act, 1968 PA 319, as amended. This act requires county sheriffs' departments, as well as city, village, and township police departments, to submit monthly UCR data.

The Progress Report (GRANTS-037), Financial Report (GRANTS-035), and Expenditure Detail (GRANTS-036), can be downloaded from the ATPA website at www.michigan.gov/msp/divisions/grantscommunityservices/atpa. The grantee agrees to submit reports in accordance with the schedule referenced in this contract.

All grant-funded employees, including employees of subgrantees, will complete and submit an Employee Time Certification (GRANTS-038). Grantees will submit GRANTS-038 to the ATPA annually via email to MSPATPA@michigan.gov.

All projects must maintain adequate supporting documentation for financial and progress reports submitted to the ATPA. Failure to provide adequate supporting documentation may adversely affect current-year reimbursements and future ATPA grant requests.

ATPA Teams

The grantee will serve as the fiduciary for the ATPA grant. The fiduciary will be responsible for receiving grant funds, distributing funds to participating team members, and receiving and compiling reports from team members. The grantee will submit grant reports according to the schedule referenced in this contract, as well as those specially requested by the ATPA.

When an agency withdraws an employee from an ATPA team, the ATPA approved budget for that position will remain with the ATPA team. The project director must inform the ATPA when the withdrawal occurs by completing the Project Modification Request (GRANTS-034). The vacant position must be replaced within 30 days or the position will be unfunded unless an extension request has been approved in writing.

Participating agencies are expected to participate on the ATPA team that received the grant award for the entire grant period. Participating agencies that withdraw personnel from the ATPA team before the end of the grant period will be reimbursed based upon the percentage of the grant period in which they participated. The ATPA Board of Directors reserves the right to deny future grant awards based on agency participation.

All personnel who are funded by an ATPA team must have their activities approved by the team commander.

VI. Suspension/Termination

The ATPA and/or the grantee may suspend and/or terminate this contract without further liability or penalty to the ATPA for any of the following reasons:

- Failure to comply with any of the terms of this contract. Suspension requires immediate action by the grantee to comply with the terms of this contract; otherwise, termination by the ATPA may occur.
- Failure of the grantee to make satisfactory progress toward the measurable objectives set forth in this contract.
- Filing false certification in this contract or other report or document.

This contract may be terminated by either party by giving 15-day written notice to the other party. Such written notice will provide valid, legal reasons for termination, along with the effective date of termination.

This contract may be terminated immediately if the grantee, an official of the grantee, or an owner is convicted of any activity referenced in Section IV of this contract during the term of this contract or any extension thereof.

Should this contract be terminated by either party, within 30 days after the termination, the grantee shall provide the ATPA with all financial, performance, and other reports required as a condition of this contract. The ATPA will make payments to the grantee for allowable reimbursable costs not covered by previous payments. The grantee shall immediately refund to the ATPA any funds not authorized for use and any payments or funds advanced to the grantee in excess of allowable reimbursable expenditures.

VII. Liability

All liability to third parties; loss or damage as a result of claims; and demands, costs, or judgments arising out of activities such as direct service delivery to be carried out by the grantee in the performance of this contract shall be the responsibility of the grantee and not the responsibility of the ATPA if the liability, loss, or damage is caused by or arises out of the actions or failure to act on the part of the grantee, any subgrantee, or anyone directly or indirectly employed by the grantee, provided that nothing herein shall be construed as a waiver of any governmental immunity that has been provided to the grantee or its employees by statute or court decisions.

All liability to third parties; loss, or damage as a result of claims; demands, costs, or judgments arising out of activities such as the provision of policy and procedural direction to be carried out by the ATPA in the performance of this contract shall be the responsibility of the ATPA and not the responsibility of the grantee if the liability, loss, or damage is caused by or arises out of the action or failure to act on the part of any ATPA employee or agent, provided that nothing herein shall be construed as a waiver of any governmental immunity by the state of Michigan, its agencies (the ATPA), or employees as provided by statute or court decisions.

In the event that liability to third parties, loss, or damage arises as a result of activities conducted jointly by the grantee and ATPA in fulfillment of their responsibilities under this contract, such liability, loss, or damage shall be borne by the grantee and the ATPA in relation to each party's responsibilities under these joint activities, provided that nothing herein shall be construed as a waiver of any governmental immunity by the grantee, the state of Michigan, its agencies (the ATPA), or their employees, respectively, as provided by statute or court decisions.

It is specifically understood and agreed that, if the State of Michigan or any County is party to this contract, nothing in this Section will require such party to indemnify any other party or entity in any litigation that may arise from the performance of this contract. This is not to be construed as a waiver of governmental immunity.
