RE: 2026-2027 Budget Hearing, Public Lighting Department

1. What lighting improvements or maintenance projects are planned for District 5 neighborhoods and corridors under the PLA's long-term lighting maintenance program?
2. What are the key initiatives or capital improvements the Public Lighting Authority plans to implement in FY2027?
3. Does the \$22 million corridor lighting standardization program include corridors located in District 5, and what improvements can residents expect?
4. Has the City finalized a reimbursement formula for administrative, operational, and maintenance costs between the PLA and the City under the interlocal agreement?
5. What is the replacement schedule for lighting poles and fixtures in FY2026 and FY2027 as part of the Authority's long-term maintenance program?
