CITY COUNCIL

**JAMES E. TATE, Jr.**  
CITY COUNCIL PRESIDENT

## MEMORANDUM

TO: Director David Whitaker, Legislative Policy Division

FROM: James Tate, City Council President

DATE: March 26, 2026

RE: **Request for Executive Organization Plan (EOP) Modification**

---

Please draft a resolution urging the Sheffield administration to modify the proposed Executive Organization Plan (EOP), replacing that the name “**Homeland Security**” with “**Office of Emergency Management and Homeland Security.**”

This change is intended to ensure clear, community-centered language that more accurately reflects the City’s role in emergency readiness and public safety, without altering the structure or functions outlined in the EOP.

As amendments must originate with the Mayor, we respectfully request that this modification be incorporated into the final plan.
