*** RE:**

Submitting report related to: Transfer of Multiple Parcels to the Detroit Housing Commission

*** SUMMARY:**

On January 26, 2006, this Honorable Body authorized the transfer and conveyance by the City of Detroit to the Detroit Housing Commission title to certain public housing properties subsidized with federal funds from the U.S. Department of Housing and Urban Development. The Resolution included a list of properties to be conveyed and authorized that in the event that the Detroit Housing Commission should discover any public housing properties subsidized by federal funds were omitted inadvertently from the list of properties, the authorization for transfer and conveyance of title should be construed as to extend to such properties, provided that the City Council is first provided notice of such omitted properties. The Commission has discovered that certain public housing properties located in the Woodbridge Estates Development and subsidized by federal funds were omitted inadvertently from the list of properties included in the Resolution and have not been transferred.

*** RECOMMENDATION:**

The City of Detroit hereby submits to this Honorable Body the list of properties described in the attached Exhibit A to be transferred by the City of Detroit to the Commission, and this letter serves as notice and formal record.
