RE: Request for an amended settlement resolution

---

Please prepare an amended settlement resolution concerning the case of Motor City Law PLLC v. City of Detroit, Case number 24-015761-CK to include the provision that any proceeds received by the City of Detroit will be placed in a separate account to fund relief for (1) the victims of the \$600 Million over assessment of property values, and/or (2) city retirees impacted by the municipal bankruptcy.

Please prepare any report necessary to explain the proposed fund and the possible means of providing relief.

On April 15, 2026, this matter was before the Internal Operations Standing Committee which approved a motion to have LPD prepare the amended settlement resolution in cooperation with the Law Department.

Thank you for your cooperation.
