Honorable City Council:

**RE: Petition No. 1748 – Vanguard Community Development, request for the encroachment of a community sign proposed in the median of East Grand Blvd lying east and adjacent to Woodward Avenue.**

Petition No. 1748 – Vanguard Community Development, request for the encroachment of a community sign proposed in the median of East Grand Blvd, 150 ft wide, lying east and adjacent to Woodward Avenue, 120 ft wide.

The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

The request is being made to approve a community sign promoting the North End community.

The request was approved by the Solid Waste Division – DPW, and City Engineering Division – DPW. Traffic Engineering Division – DPW approves provided pedestrian traffic is accommodated, and a provision for a clear pedestrian walk, 6 feet wide, is a part of the resolution.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer  
City Engineering Division – DPW
