

## CITY OF DETROIT

JAMES TATE

COUNCIL PRESIDENT PRO -TEM

---

# MEMORANDUM

**To:** Art Thompson, Director, Department of Innovation & Technology

**Through:** Mary Sheffield, President, Detroit City Council

**From:** Council Pro Tem James Tate submitting memorandum relative to

**Date:** 9/17/2020

**RE:** Department of Innovation & Technology, Budget Hearing Questions, FY 2022-23

---

### SUMMARY:

Following the Department of Innovation & Technology's (DoIT) budget presentation on March 14, 2022, my office has the following requests.

1. Please describe the partnership between DoIT, HumanIT, and Connect313.
2. Please provide data that explains the \$600,000.00 in savings in digital imaging as referenced by the use of the Detroit Street View system.
3. Please explain how District 2 was selected as the starting location for the digital inclusion pilot.
  - a. If successful, please explain the plan to extend the program to other council districts.
4. Please explain the costs of the pilot program to equip DDOT buses with wifi connection.

If you have any questions, please contact my office
