RE: BOARD OF ZONING APPEALS BUDGET QUESTIONS

SUMMARY:

The FY 2023 budget identifies a \$618K budget for the BZA. How much of this will be used for training of staff and BZA members?

The FY 2024 budget shows an increase of \$538K and a \$469K increase in FY 2025. These are significant increases, but there are no corresponding notes to support these proposed increases. Why are these large budget increases necessary?
