 - c) Any costs disallowed as a result of an audit of the Records shall be repaid to the City by the Contractor within thirty (30) days of notification or may be set off by the City against any funds due and owing the Contractor, provided, however, that the Contractor shall remain liable for any disallowed costs exceeding the amount of the setoff.
 - d) Each party shall pay its own audit costs. However, if the dollar amount of the total disallowed costs, if any, exceeds three percent (3%) of the dollar amount of this Contract, the Contractor shall pay the City's audit costs.
 - e) Nothing contained in this Contract shall be construed or permitted to operate as any restriction upon the powers granted to the Auditor General by the City Charter, including but not limited to the powers to audit all accounts chargeable against the City and to settle disputed claims.
- 8.03 The Contractor agrees to include the covenants contained in Sections 8.01 and 8.02 in any contract it has with any Subcontractor, consultant or agent whose services will be charged directly or indirectly to the City for Services performed pursuant to this Contract.

- 9.02 The Contractor shall examine all places where it will perform the Services in order to determine whether such places are safe for the performance of the Services. The Contractor undertakes and assumes all risk of dangerous conditions when not performing Services inside City offices. The

Contractor also agrees to waive and release any claim or liability against the City for personal injury or property damage sustained by it or its Associates while performing under this Contract on premises that are not owned by the City.

- 9.03 In the event any action shall be brought against the City by reason of any claim covered under this Article 9, the Contractor, upon notice from the City, shall at its sole cost and expense defend the same.
- 9.04 The Contractor agrees that it is the Contractor's responsibility and not the responsibility of the City to safeguard the property that the Contractor or its Associates use while performing this Contract. - 10.02 The commercial general liability insurance policy shall include an endorsement naming the "City of Detroit" as an additional insured. The additional insured endorsement shall provide coverage

to the additional insured with respect to liability arising out of the named insured's ongoing work or operations performed for the additional insured under the terms of this Contract. The commercial general liability policy shall state that the Contractor's insurance is primary and not excess over any insurance already carried by the City of Detroit and shall provide blanket contractual liability insurance for all written contracts.

- 10.03 Each such policy shall contain the following cross-liability wording: "In the event of a claim being made hereunder by one insured for which another insured is or may be liable, then this policy shall cover such insured against whom a claim is or may be made in the same manner as if separate policies had been issued to each insured hereunder."
- 10.04 All insurance required by this Contract shall be written on an occurrence-based policy form, if the same is commercially available.
- 10.05 The Commercial General Liability policy shall be endorsed to have the general aggregate apply to the Services provided under this Contract only.
- 10.06 If during the term of this Contract changed conditions or other pertinent factors should, in the reasonable judgment of the City, render inadequate the insurance limits, the Contractor shall furnish on demand such additional coverage or types of coverage as may reasonably be required under the circumstances. All such insurance shall be effected at the Contractor's expense, under valid and enforceable policies, issued by insurers licensed to conduct business in Michigan and are otherwise acceptable to the City.
- 10.07 All insurance policies shall name the Contractor as the insured. Certificates of insurance evidencing the coverage required by this Article 10 shall, in a form acceptable to the City, be submitted to the City prior to the commencement of the Services and at least fifteen (15) days prior to the expiration dates of expiring policies. In the event the Contractor receives notice of policy cancellation, the Contractor shall immediately notify the City in writing.

- 10.09 The Contractor shall be responsible for payment of all deductibles contained in any insurance required under this Contract. The provisions requiring the Contractor to carry the insurance required under this Article 10 shall not be construed in any manner as waiving or restricting the liability of the Contractor under this Contract.

Article 11: Default and Termination

- 11.01 This Contract shall remain in full force and effect until the end of its term unless otherwise terminated for cause or convenience according to the provisions of this Article 11.
- 11.02 The City reserves the right to terminate this Contract for cause. Cause is an event of default.

- a) An event of default shall occur if there is a material breach of this Contract, and shall include the following:
 - 1) The Contractor fails to begin work in accordance with the terms of this Contract; or
 - 2) The Contractor, in the judgment of the City, is unnecessarily, unreasonably, or willfully delaying the performance and completion of the Work Product or Services; or
 - 3) The Contractor ceases to perform under the Contract; or
 - 4) The City is of the opinion that the Services cannot be completed within the time provided and that the delay is attributable to conditions within the Contractor's control; or
 - 5) The Contractor, without just cause, reduces its work force on this Contract to a number that would be insufficient, in the judgment of the City, to complete the Services within a reasonable time, and the Contractor fails to sufficiently increase such work force when directed to do so by the City; or
 - 6) The Contractor assigns, transfers, conveys or otherwise disposes of this Contract in whole or in part without prior approval of the City; or
 - 7) Any City officer or employee acquires an interest in this Contract so as to create a conflict of interest; or
 - 8) The Contractor violates any of the provisions of this Contract, or disregards applicable laws, ordinances, permits, licenses, instructions or orders of the City; or
 - 9) The performance of the Contract, in the sole judgment of the City, is substandard, unprofessional, or faulty and not adequate to the demands of the task to be performed; or
 - 10) The Contractor fails in any of the agreements set forth in this Contract; or
 - 11) The Contractor ceases to conduct business in the normal course; or
 - 12) The Contractor admits its inability to pay its debts generally as they become due.
- b) If the City finds an event of default has occurred, the City may issue a Notice of Termination for Cause setting forth the grounds for terminating the Contract. Upon receiving a Notice of Termination for Cause, the Contractor shall have ten (10) calendar days within which to cure such default. If the default is cured within said ten (10) day period, the right of termination for such default shall cease. If the default is not cured to the satisfaction of the City, this Contract shall terminate on the tenth calendar day after the Contractor's receipt of the Notice of Termination for Cause, unless the City, in writing, gives the Contractor additional time to cure the default. If the default is not cured to the satisfaction of the City within the additional time allowed for cure, this Contract shall terminate for cause at the end of the extended cure period.

- c) If, after issuing a Notice of Termination for Cause, the City determines that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued as a Notice of Termination for Convenience. Alternatively, in the City's discretion, the Notice of Termination for Cause may be withdrawn and the Contract, if terminated, may be reinstated.
 - d) The Contractor shall be liable to the City for any damages it sustains by virtue of the Contractor's breach or any reasonable costs the City might incur in enforcing or attempting to enforce this Contract. Such costs shall include reasonable fees and expenses for attorneys, expert witnesses and other consultants. However, if the Contractor makes a written offer prior to the initiation of litigation or arbitration, then the City shall not be entitled to such attorney fees unless the City declines the offer and obtains a verdict or judgment for an amount more than ten percent (10%) above the amount of the Contractor's last written offer prior to the initiation of litigation or arbitration. The City may withhold any payment(s) to the Contractor, in an amount not to exceed the amount claimed in good faith by the City to represent its damages, for the purpose of setoff until such time as the exact amount of damages due to the City from the Contractor is determined. It is expressly understood that the Contractor shall remain liable for any damages the City sustains in excess of any setoff.
 - e) The City's remedies outlined in this Article 11 shall be in addition to any and all other legal or equitable remedies permissible.
- 11.03 The City shall have the right to terminate this Contract at any time at its convenience by giving the Contractor five (5) business days written Notice of Termination for Convenience. As of the effective date of the termination, the City will be obligated to pay the Contractor the following: (a) the fees or commissions for Services completed and accepted in accordance with Exhibit A in the amounts provided for in Exhibit B; (b) the fees for Services performed but not completed prior to the date of termination in accordance with Exhibit A in the amounts set forth in the Contractor's rate schedule as provided in Exhibit B; and (c) the Contractor's costs and expenses incurred prior to the date of the termination for items that are identified in Exhibit B. The amount due to the Contractor shall be reduced by payments already paid to the Contractor by the City. In no event shall the City pay the Contractor more than maximum price, if one is stated, of this Contract.
- 11.04 After receiving a Notice of Termination for Cause or Convenience, and except as otherwise directed by the City, the Contractor shall:
- a) Stop work under the Contract on the date and to the extent specified in the Notice of Termination;
 - b) Obligate no additional Contract funds for payroll costs and other costs beyond such date as the City shall specify, and place no further orders on subcontracts for material, services, or facilities, except as may be necessary for completion of such portion of the Services under this Contract as is not terminated;
 - c) Terminate all orders and subcontracts to the extent that they relate to the portion of the Services terminated pursuant to the Notice of Termination;

- d) Preserve all Records and submit to the City such Records and reports as the City shall specify, and furnish to the City an inventory of all furnishings, equipment, and other property purchased for the Contract, if any, and carry out such directives as the City may issue concerning the safeguarding or disposition of files and property; and
 - e) Submit within thirty (30) days a final report of receipts and expenditures of funds relating to this Contract, and a list of all creditors, Subcontractors, lessors and other parties, if any, to whom the Contractor has become financially obligated pursuant to this Contract.
- 11.05 After termination of the Contract, each party shall have the duty to assist the other party in the orderly termination of this Contract and the transfer of all rights and duties arising under the Contract, as may be necessary for the orderly, un-disrupted continuation of the business of each party.

Article 12: Assignment

- 12.01 The Contractor shall not assign, transfer, convey or otherwise dispose of any interest whatsoever in this Contract without the prior written consent of the City; however, claims for money due or to become due to the Contractor may be assigned to a financial institution without such approval. Notice of any assignment to a financial institution or transfer of such claims of money due or to become due shall be furnished promptly to the City. If the Contractor assigns all or any part of any monies due or to become due under this Contract, the instrument of assignment shall contain a clause stating that the right of the assignee to any monies due or to become due shall be subject to prior liens of all persons, firms, and corporations for Services rendered or materials supplied for the performance of the Services called for in this Contract.

Article 13: Subcontracting

- 13.01 None of the Services covered by this Contract shall be subcontracted without the prior written approval of the City and, if required, any grantor agency. The City reserves the right to withhold approval of subcontracting such portions of the Services where the City determines that such subcontracting is not in the City's best interests.
- 13.02 Each subcontract entered into shall provide that the provisions of this Contract shall apply to the Subcontractor and its Associates in all respects. The Contractor agrees to bind each Subcontractor and each Subcontractor shall agree to be bound by the terms of the Contract insofar as applicable to the work or services performed by that Subcontractor.
- 13.03 The Contractor and the Subcontractor jointly and severally agree that no approval by the City of any proposed Subcontractor, nor any subcontract, nor anything in the Contract, shall create or be deemed to create any rights in favor of a Subcontractor and against the City, nor shall it be deemed or construed to impose upon the City any obligation, liability or duty to a Subcontractor, or to create any contractual relation whatsoever between a Subcontractor and the City.
- 13.04 The provisions contained in this Article 13 shall apply to subcontracting by a Subcontractor of any portion of the work or services included in an approved subcontract.

- 13.05 The Contractor agrees to indemnify, defend, and hold the City harmless against any claims initiated against the City pursuant to any subcontracts the Contractor enters into in performance of this Contract. The City's approval of any Subcontractor shall not relieve the Contractor of any of its responsibilities, duties and liabilities under this Contract. The Contractor shall be solely responsible to the City for the acts or defaults of its Subcontractors and of each Subcontractor's Associates, each of whom shall for this purpose be deemed to be the agent or employee of the Contractor.

Article 14: Conflict of Interest

- 14.01 The Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the Services under this Contract. The Contractor further covenants that in the performance of this Contract no person having any such interest shall be employed by it.
- 14.02 The Contractor further covenants that no officer, agent, or employee of the City and no other public official who exercises any functions or responsibilities in the review or approval of the undertaking or performance of this Contract has any personal or financial interest, direct or indirect, in this Contract or in its proceeds, whether such interest arises by way of a corporate entity, partnership, or otherwise.
- 14.03 The Contractor warrants (a) that it has not employed and will not employ any person to solicit or secure this Contract upon any agreement or arrangement for payment of a commission, percentage, brokerage fee, or contingent fee, other than bona fide employees working solely for the Contractor either directly or indirectly, and (b) that if this warranty is breached, the City may, at its option, terminate this Contract without penalty, liability or obligation, or may, at its option, deduct from any amounts owed to the Contractor under this Contract any portion of any such commission, percentage, brokerage, or contingent fee.
- 14.04 The Contractor covenants not to employ an employee of the City for a period of one (1) year after the date of termination of this Contract without written City approval.
- 14.05 The Contractor shall promptly identify and inform the City in writing of any potential conflict of interest (as set forth in Sections 14.01 through 14.04 above) or any relationship or actions that might give the appearance that a conflict of interest (as set forth in Sections 14.01 through 14.04 above) exists, or that a situation exists that could reasonably be viewed as affecting the Contractor's objectivity in performing work under this contract, including the performance of administrative or other duties to related organizations.
- 14.06 The Contractor shall provide a statement listing all political contributions and expenditures ("Statement of Political Contributions and Expenditures"), as defined by the Michigan Campaign Finance Act, MCL 169.201, et seq., made by the Contractor, its affiliates, subsidiaries, principals, officers, owners, directors, agents or assigns, to elective City officials within the previous four (4) years. Individuals shall also list any contributions or expenditures from their spouses.

Article 15: Confidential Information

- 15.01 In order that the Contractor may effectively fulfill its covenants and obligations under this Contract, it may be necessary or desirable for the City to disclose confidential and proprietary information to the Contractor or its Associates pertaining to the City's past, present and future activities. Since it is difficult to separate confidential and proprietary information from that which is not, the Contractor shall regard, and shall instruct its Associates to regard, all information gained as confidential and such information shall not be disclosed to any organization or individual without the prior consent of the City. The above obligation shall not apply to information already in the public domain or information required to be disclosed by a court order.
- 15.02 The Contractor agrees to take appropriate action with respect to its Associates to ensure that the foregoing obligations of non-use and non-disclosure of confidential information shall be fully satisfied.

Article 16: Compliance with Laws

- 16.01 The Contractor shall comply with and shall require its Associates to comply with all applicable federal, state and local laws.
- 16.02 The Contractor shall hold the City harmless with respect to any damages arising from any violation of law by it or its Associates. The Contractor shall commit no trespass on any public or private property in performing any of the Services encompassed by this Contract. The Contractor shall require as part of any subcontract that the Subcontractor comply with all applicable laws and regulations.

Article 17: Office of Inspector General

- 17.01. In accordance with Section 2-106.6 of the City Charter, this Contract shall be voidable or rescindable at the discretion of the Mayor or Inspector General at any time if a Public Servant who is a party to the Contract has an interest in the Contract and fails to disclose such interest.

- 17.02. This Contract shall also be voidable or rescindable if a lobbyist or employee of the contracting party offers a prohibited gift, gratuity, honoraria or payment to a Public Servant in relation to the Contract.
- 17.03. A fine shall be assessed to the Contractor in the event of a violation of Section 2-106.6 of the City Charter. If applicable, the actions of the Contractor, and its representative lobbyist or employee, shall be referred to the appropriate prosecuting authorities.
- 17.04. Pursuant to Section 7.5-306 of the City Charter, the Inspector General shall investigate any Public Servant, City agency, program or official act, contractor and subcontractor providing goods and services to the City, business entity seeking contracts or certification of eligibility for City contracts and person seeking certification of eligibility for participation in any City program, either in response to a complaint or on the Inspector General's own initiative in order to detect and prevent waste, abuse, fraud and corruption.
- 17.05. In accordance with Section 7.5-310 of the City Charter, it shall be the duty of every Public Servant, contractor, subcontractor, and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the Inspector General in any investigation pursuant to Article 7.5, Chapter 3 of the City Charter.
- 17.06. Any Public Servant who willfully and without justification or excuse obstructs an investigation of the Inspector General by withholding documents or testimony, is subject to forfeiture of office, discipline, debarment or any other applicable penalty.
- 17.07. As set forth in Section 7.5-308 of the City Charter, the Inspector General has a duty to report illegal acts. If the Inspector General has probable cause to believe that any Public Servant or any person doing or seeking to do business with the City has committed or is committing an illegal act, then the Inspector General shall promptly refer the matter to the appropriate prosecuting authorities.
- 17.08. In accordance with Section 17-5-351(a) of the Detroit City Code, the City shall solicit offers from, award contracts to, consent to subcontracts with, or otherwise to conduct business with, responsible contractors only. To effectuate this policy, the debarment of contractors and subcontractors from current and/or future City work may be undertaken.
- 17.09. Therefore, it will be the responsibility of all Contractors to check the list of debarred contractors in the City's website and confirm that neither the Contractor nor the subcontracting company is listed on the City's debarment list and they will not be using the debarred (sub) contractor(s) to conduct any City business.
- 17.10. In accordance with Section 17-5-352 (c) of the Detroit City Code, the Contractor shall report to the Office of Inspector General any improper, unethical or illegal activity or requests made by elected officers of the City, including those acting on their behalf, or any Public Servant in connection with this Contract.

Article 18: Amendments

- 18.01 The City may consider it in its best interest to change, modify or extend a covenant, term or condition of this Contract or require the Contractor to perform Additional Services that are not contained within the Scope of Services as set forth in Exhibit A. Any such change, addition, deletion, extension or modification of Services may require that the compensation paid to the Contractor by the City be proportionately adjusted, either increased or decreased, to reflect such modification. If the City and the Contractor mutually agree to any changes or modification of this Contract, the modification shall be incorporated into this Contract by written Amendment.
- 18.02 Compensation shall not be modified unless there is a corresponding modification in the Services sufficient to justify such an adjustment. If there is any dispute as to compensation, the Contractor shall continue to perform the Services under this Contract until the dispute is resolved.
- 18.03 No Amendment to this Contract shall be effective and binding upon the parties unless it expressly makes reference to this Contract, is in writing, is signed and acknowledged by duly authorized representatives of both parties, is approved by the appropriate City departments and the City Council, and is signed by the Chief Procurement Officer.
- 18.04 The City shall not be bound by Unauthorized Acts of its employees, agents, or representatives with regard to any dealings with the Contractor and any of its Associates.

Article 19: Fair Employment Practices

- 19.01 The Contractor shall comply with, and shall require any Subcontractor to comply with, all federal, state and local laws governing fair employment practices and equal employment opportunities.
- 19.02 The Contractor agrees that it shall, at the point in time it solicits any subcontract, notify the potential Subcontractor of their joint obligations relative to non-discrimination under this Contract, and shall include the provisions of this Article 19 in any subcontract, as well as provide the City a copy of any subcontract upon request.

- 21.02 The City shall not relinquish any of its proprietary rights, including, but not limited to, its data, privileged or confidential information, or methods and procedures, as a result of the Services provided under this Contract.
- 21.03 The parties acknowledge that should the performance of this Contract result in the development of new proprietary and secret concepts, methods, techniques, processes, adaptations, discoveries, improvements and ideas ("Discoveries"), and to the extent said Discoveries do not include modifications, enhancements, configurations, translations, derivative works, and interfaces from the Contractor's intellectual property, trade secrets or confidential information, said Discoveries shall be deemed "Work(s) for Hire" and shall be promptly reported to the City and shall belong solely and exclusively to the City without regard to their origin, and the Contractor shall not, other than in the performance of this Contract, make use of or disclose said Discoveries to anyone. At the City's request, the Contractor shall execute all documents and papers and shall furnish all reasonable assistance requested in order to establish in the City all right, title and interest in said Discoveries or to enable the City to apply for United States patents or copyrights for said Discoveries, if the City elects to do so.
- 21.04 Any Work Product provided by the Contractor to the City under this Contract shall not be disclosed, published, copyrighted or patented, in whole or in part, by the Contractor. Such Work Product shall be free from any claim or retention of rights on the part of the Contractor and shall promptly be delivered to the City upon the City's request. The City shall return all of the Contractor's property to it. The Contractor acknowledges that any intentional failure or unreasonable delay on its part to deliver the Work Product to the City will cause irreparable harm to the City not adequately compensable in damages and for which the City has no adequate remedy at law. The Contractor accordingly agrees that the City may in such event seek and obtain injunctive relief in a court of competent jurisdiction to compel delivery of the Work Product, to which injunctive relief the Contractor consents, as well as seek and obtain all applicable damages and costs. The City shall have full and unrestricted use of the Work Product for the purpose of completing the Services.

any Force Majeure Event are minimalized, (iii) keep the City apprised of Contractor's progress in remediating the effects of the Force Majeure Event; and (iii) promptly resume performance under the Contract.

- 22.03 If a Force Majeure Event prevents Contractor from performing under the Contract for a continuous period of at least ten (10) business days, the City may terminate this Contract immediately by giving written notice to Contractor as required under the Contract.

Article 23: Waiver

- 23.01 The City shall not be deemed to have waived any of its rights under this Contract unless such waiver is in writing and signed by the City.
- 23.02 No delay or omission on the part of the City in exercising any right shall operate as a waiver of such right or any other right. A waiver on any one (1) occasion shall not be construed as a waiver of any right on any future occasion.
- 23.03 No failure by the City to insist upon the strict performance of any covenant, agreement, term or condition of this Contract or to exercise any right, term or remedy consequent upon its breach shall constitute a waiver of such covenant, agreement, term, condition, or breach.

The term of this Contract shall begin upon the Detroit City Council's approval and shall terminate on April 15, 2025. The Contractor shall commence performance of this Contract upon receipt of a written "Notice to Proceed" from the City and in the manner specified in the Notice to Proceed.

II. Services to be Performed

1. Annual Service Level Agreement (SLA) Process

The City and the Supplier will execute an annual SLA under this contract in order to specify processes and expectations for carrying out contract terms.

- The timeline for creating each SLA will be established by the City.
- The SLA will be prepared and executed by the City and the Supplier designated representatives (below).
- The SLA will be created from the City of Detroit Annual Purchase Plan and Supplier advice on it.
- The City of Detroit Annual Purchase Plan identifies the number and mix of units planned for procurement that year, with required up-fitting variants, and targeted timeline for receipt of units. The Supplier advice identifies timelines in the logistics of aftermarket vehicle prep and delivery, and other relevant factors in the procurement.
- The City and the Supplier will sign off on specific components to be used in each upfitting configuration, and on prototype form, preparation, and timing and approval process.
- The SLA will confirm Supplier staffing and facilities preparedness.
- The SLA will identify custom build configurations, and methods of signoff of prototypes.
- The SLA will define the process to be used for communicating estimated vehicle completion and status.
- The SLA will specify completed vehicle delivery week timing at the Supplier's 90% confidence and will be signed by the City and the Supplier designated representatives.
- The City may plan a 2nd buy in the course of the year; planning of this procurement will follow a similar collaborative process, and become an amendment to the SLA.

2. Pricing and Payment Processing

See EXHIBIT B. The Price Sheet consists of the "Schedule of Authorized Vehicle Upfitting Procurement."

- The "Schedule of Authorized Vehicle Up-Fitting Procurement" reflects maximum unit counts by City of Detroit Vehicle Types over the life of the contract and is not a commitment to volumes of unit upfitting.
- Unit prices reflect bids for current model years. Labor rates will be held constant during the life of the contract. However, if there is a vehicle change or equipment change, labor may go up. Parts prices shall remain firm for the 3 years of the contract. The annual SLA will establish each City of Detroit Purchase Order against which invoices for services will be paid.

Manufacturer discounts are as follows:

Blue-Sea	45%	Westin	35%
Unity	40%	Laguna	35%
Setina	40%	Jotto Desk	35%
Sound Off	35%	Havis	30%
Whelen	35%	Pro-Gard	30%

- The Supplier shall use the City’s Supplier Portal to request payment in accordance with the City’s invoice detail requirements.

- The Supplier, with the City’s Authorized Fleet Unit provider, will coordinate the workflow associated with delivery of vehicles from the manufacturer to the upfitter.
- The Supplier and the City will establish the form of prototype – virtual/electronic, or physical build - that is acceptable for each configuration and will establish the timing and tasks involved in gaining a City signoff for each. The prototype approval process shall include signoffs and documentation of each change order from City and Supplier representatives.
- The Supplier will schedule and document transfer of completed vehicles to the City of Detroit’s Vehicle Control Center located at Davison Yard, 8221 W. Davison, Detroit, MI 48238.

The City and the Supplier will engage in a periodic review process to assurance contract management, City and Supplier performance of contract terms. The review will focus on contract status, on City administration, and on other aspects of Supplier performance, such as, but not limited to, price or model changes, vehicle performance, warranty and repair service administration, and metrics of prior orders and delivery.

5. Administration

The City of Detroit Office of Contracting and Procurement is the responsible party for this contract:

- OCP Fleet Buyer, Valerie Massey

The Fleet Buyer will oversee contract compliance by the Contract Administrators:

- For policy and planning, Sandra Yu Stahl, Director of General Services Dept.

EXHIBIT D: COVID GENERAL CONDITIONS

The City of Detroit has sought to obtain federal funding to augment its response to the COVID-19 pandemic (the “Pandemic”). The following provisions are defined as a requirement associated with the impact of the Pandemic and are attached and incorporated by reference herein to the Goods and Services Contract (the “Contract”) with Canfield Equipment Service, Inc. To the extent any such provisions conflict with the Contract, the Contract’s provisions shall control.

I. Procurement Policy

Procurement for the City of Detroit has provided a transparent, open, and fair opportunity for all eligible Contractors to participate. This bid has been made without collusion with any other person, firm or corporation making any bid or proposal, or who otherwise makes a bid or proposal. The Contractor must have a valid Contract or purchase order with the signature of the Chief Procurement Officer to receive payment for goods or services rendered. If the Contractor performs any work without a valid Contract or purchase order, the Contractor will not be paid.

II. Bonds and Insurance Requirements

Receipt of bonds and/or insurance is part of the process of determining which Contractor may be recommended for award to the City Council. If cause is found to change the recommendation that a Contractor be awarded the contract, or if the City Council does not approve the recommendation, the City shall not be liable for any costs incurred by the Contractor in the bid process, including the cost of acquiring bonds and/or insurance. This subsection III is applicable only to Contracts pertaining to construction or facility improvement.

III. Equal Employment Opportunity

In addition to the fair employment practices agreed to be the Contractor in Article 19 of the Contract, the Contractor hereby agrees as follows:

(a) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(b) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(c) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

(d) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(e) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(f) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(g) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government Contracts or federally assisted construction Contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(h) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant

to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

(i) The City of Detroit further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the City of Detroit so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract. The City of Detroit agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The City of Detroit further agrees that it will refrain from entering into any Contract or Contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government Contracts and federally assisted construction Contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the City of Detroit agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this contract; refrain from extending any further assistance to the City of Detroit under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such City of Detroit; and refer the case to the Department of Justice for appropriate legal proceedings.

(c) Limitations.

(ii) The determination shall be approved at the same level as the level to which the agency head authority in paragraph (d)(1)(ii) of this section is delegated.
