ALUMNI HALL OF FAME GALA

Production Presentation
For Spring 2022 Events

Gala Executive Summary

- The Detroit Public Schools, as a system of urban education, was founded on February 17, 1842. Throughout its history, the District has educated millions of city residents within pre-kindergarten, elementary, middle, and high school curricula.
- DPS, and now the Detroit Public Schools Community District, has graduated a multiplicity of students that have become local, statewide, regional, national, and global leaders.
- With theme of “Come Home,” and in partnership with the Detroit Public Schools Foundation, DPSCD will honor our past and present, and salute those worldwide DPS/DPSCD alumni from closed/open high schools, and now retired or officials within multiple career fields.
- Wherefore, we are commissioned to deliver an epic, elegant District alumni hall of fame black-tie/formal attire gala featuring: 1.) distinguished first-class alumni dinner; 2.) magnificent recognition of universal alumni; 3.) spectacular honor ceremony for prestigious alumni with signature awards; 4.) paramount set of extraordinary alumni and student performances; and 5.) development of a pivotal mechanism for DPS/DPSCD alumni associations or groups to adjoin with present District students, and establish life-changing educational and career skill sets for our urban students of today, yet potential global leaders of tomorrow.
- Plan an inaugural, monumental Signature Event with a Wow Factor for DPS/DPSCD Alumni and establish the DPS/DPSCD Hall of Fame for the Detroit Public Schools Community District.
- Produce the trademark event at a Detroit-based venue on Sunday, May 22, 2022, featuring VIP Reception, Gala, and Afterglow for 500 - 800 combined District alumni, students, officials, partners, and overall, stakeholders. The setting must be amenable to the ambiance, execution, and evaluation of this premier, unparalleled event.
- Provide alumni with the following transformative mandate to accelerate DPSCD student matriculation from kindergarten, elementary, middle to high school through amplified enrollment, attendance, academic growth, college & career readiness, and graduation rates.

Taste of Livernois Event Considerations:

The **Taste of Livernois** is intended to

- Spotlight the largest concentration of Black-owned businesses in the City of Detroit
- Create space for our community of supporters to patronize small businesses along Livernois (retail & restaurants)
- Share information on programs and enrollment opportunities with Detroit Public Schools Community District
- Showcase the arts through a variety of performances and entertainment options

~ 2000 Expected Attendees

Note: We acknowledge that this event is planned to yield a large concentration of people in a one-block area. Although we have identified ample parking options, this will cause a direct impact to the flow of traffic, potentially causing increased congestion. We propose two potential options and are open to discussion and the recommendation of the city on traffic & safety protocols.
