Honorable City Council:

RE: Petition No. 1483 — Olympia Development, LLC request to vacate and convert to easement a public alley in the area of Second Avenue, Temple Avenue, Cass Avenue and Ledyard Street.

Petition No. 1483 — Olympia Development, LLC request to vacate and convert to easement the north-south alley, 20 feet wide, in the block of Ledyard Street, 100 feet wide, Temple Avenue, 100 feet wide, Second Boulevard, 60 feet wide, and Cass Avenue, 80 feet wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made to combine parcels and for a surface parking lot.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution. DTE Energy reports having services in the area. A provision to maintain access to DTE facilities is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
