Hanging Banners From Utility Poles Guidelines

The City of Detroit will allow on its light poles only Banners that promote or celebrate the City, its civic institutions, or public activities and events in the City. The City light poles will not be used for commercial advertising or for promoting any political social advocacy organization or political message.

No person or entity shall install, place, affix or attach a Banner on any property within the City of Detroit without first obtaining a permit. Banner permits are approved on a first-come, first-serve basis.

There are four categories of evaluation criteria:

1. Petitioner eligibility
2. Banner permit application package and fees
3. Banner specifications
4. Banner placement

The Banner permit application package must include the following items in order to be evaluated:

- Completed banner permit application form
- Signed and dated indemnity agreement
- Signed and dated maintenance and removal agreement
- Copy of certificate of insurance – City of Detroit additional insured
- Sketch, drawing, or actual sample of the banner to be displayed
- Listing and/or map of the specific locations for the Banner(s)
- $100 non-refundable permit fee submitted to Business License Department
- A refundable deposit to be held in escrow presented to Business License Department prior to the issuance of the Banner Permit – 5 or less Banners $500.00; 6 or more Banners $1000.00

Nothing may be attached to a utility or light pole without the permission of the City. The City Council can grant permission to attach Banners to Lighting Department poles. To get permission to hang Banners you must petition the City Council. The petition should identify where you want to hang the Banners, what the Banner will say and how long the Banners will hang.

No Banner will be allowed to block the view of traffic signals or signs. The Public Lighting Department will inspect the poles before advising the City Council about allowing any Banners to be attached. The permission given by City Council is good for up to six months. If you want to hang Banners for more than six months, you should petition the City Council for an extension.

The Public Lighting Department will supply a copy of its Banner Specifications upon request.
