Office for Civil Rights Notice for All Recipients

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973, require recipients of federal financial assistance to give assurances that they will comply with those laws. Taken together, these civil rights laws prohibit recipients of federal financial assistance from DOJ from discriminating in services and employment because of race, color, national origin, religion, disability, sex, and, for grants authorized under the Violence Against Women Act, sexual orientation and gender identity. Recipients are also prohibited from discriminating in services because of age. For a complete review of these civil rights laws

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a nondiscriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5).

The OCR is available to help you and your organization meet the civil rights requirements that are associated with DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to contact the OCR at askOCR@ojp.usdoj.gov.

Project Description

Since FY 2016, Domestic Violence Homicide Prevention Initiative (DVHPI) funds have been used to support the Firearms Technical Assistance Project (FTAP), which helps communities identify challenges with the implementation of federal, state, and tribal domestic violence firearms prohibitions in their jurisdictions and assists them in establishing a localized response that is best suited to their communities' unique needs and characteristics. The FTAP focuses on the Improving Criminal Justice Responses to Domestic Violence, Dating Violence, Sexual Assault and Stalking Grant Program (ICJR) Program purpose area 22 (Domestic Violence Homicide). Under the initial FTAP TA Initiative, six firearms sites were selected to receive intensive training and technical assistance under the FTAP. Lessons learned from the existing FTAP pilot sites will help the ICJR Unit identify best and promising practices for jurisdictions implementing firearms relinquishment policies and practices throughout the civil and criminal justice system. To further this initiative, in FY 2022 OVW will support the initial six firearm sites along with new sites to work on the implementation of firearm restrictions in domestic violence cases in their communities.

The grantee, in collaboration with its project partners, will use this new award to establish a multi-disciplinary management team to develop and implement strategic plans addressing firearms restrictions in domestic violence cases in their jurisdiction. The management team will reflect the diverse make-up of the jurisdiction, which will be reflected in the support of participating culturally specific organization(s). The work completed under this project will be informed by the unique needs and characteristics of the community, through the use of a needs assessment, community engagement work and specialized training and technical assistance for the jurisdiction.

The recipient budget is currently under review.

I have read and understand the information presented in this section of the Federal Award Instrument.

✓ Award Conditions

This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.

Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in the Office on Violence Against Women (OVW) taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The recipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission

3

Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify OVW in writing of the potential duplication, and, if so requested by OVW, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

4

Requirements related to System for Award Management and unique entity identifiers

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining current information in SAM.

The recipient also must comply with applicable restrictions on subawards (subgrants) to first-tier subrecipients (subgrantees), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier assigned by SAM.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Requirements related to System for Award Management (SAM) and unique entity identifiers), and are incorporated by reference here.

The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients (subgrantees), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears on the OVW website at <https://www.justice.gov/ovw/conference-planning>.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

16

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

The recipient also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and "Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34 U.S.C. 12291(b)(2))" on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees>. The recipient also agrees to ensure that all subrecipients (subgrantees) at any tier meet these requirements.

30

Activities that compromise victim safety and recovery or undermine offender accountability

The recipient agrees that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. The details of this requirement are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Policy for response to workplace-related sexual misconduct, domestic violence, and dating violence), and are incorporated by reference here.

32

Termination or suspension

The Director of OVW, upon a finding that there (1) has been substantial failure by the recipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, (2) has been failure by the recipient to make satisfactory progress toward the goals, objectives, or strategies set forth in the application, or (3) have been project changes proposed or implemented by the recipient to the extent that, if originally submitted, the application would not have been selected for funding, will terminate or suspend until the Director is satisfied that there is no longer such failure or changes, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 C.F.R. 200.340.

33

Semiannual and final performance progress report submission

The recipient agrees to submit semiannual performance progress reports that describe activities conducted during the reporting period, including program effectiveness measures. Reports must be submitted throughout the project period, even if no funds were spent and no activities were conducted in a given reporting period. Delinquent reports may affect future discretionary award decisions and may lead to suspension and/or termination of the award.

The information that must be collected and reported to OVW can be found in the reporting form associated with the grant program or initiative under which this award was made. Performance progress reports must be submitted within 30 days after the end of the reporting periods, which are January 1 - June 30 and July 1 - December 31. Recipients are required to submit their reports through the Justice Grants System, unless and until OVW issues updated instructions for report submission. The final report is due 90 days after the end of the project period and should be marked "final" in the Report Type field.

34

Quarterly financial status reports

The recipient agrees that it will submit quarterly financial status reports (the SF 425 Federal Financial Report) to OVW in the Justice Grants System, not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period. Delinquent reports may affect future discretionary award decisions and may lead to suspension and/or termination of the award.

35

Program income

Program income, as defined by 2 C.F.R. 200.1, means gross income earned by the non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval from OVW, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to the OVW award, the recipient must seek approval from its program manager via a budget modification Grant Award Modification (GAM) prior to generating any program income. Any program income added to the federal award must be used to support activities that were approved in the budget and follow the conditions of the OVW award. Any program income approved via budget modification GAM must be reported in the recipient's quarterly Federal Financial Report SF-425 in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, it must be approved via a budget modification GAM by the end of the project period. If the budget modification is not submitted and approved, it could result in audit findings for the recipient.

36

FFATA reporting subawards and executive compensation

The recipient agrees to comply with applicable requirements to report first-tier subawards (subgrants) of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the Federal Funding Accountability and Transparency Act of 2006 (FFATA) Subaward Reporting System (FSRS). The details of recipient obligations, which derive from FFATA, are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

37

The recipient agrees to submit for OVW review and approval any anticipated addition of, removal of, or change in collaborating partner agencies or individuals who are signatories of the Memorandum of Understanding and, if applicable, the Internal Memorandum of Agreement.

38

Prior approval of all materials and publications

The recipient agrees to submit for OVW review and approval all materials and publications (written, web-based, audio-visual, or any other format) that are funded under this award. OVW must have not less than 20 days to complete review and approval. The recipient may not distribute or publicly release such materials under this award until OVW has approved them.

39

Publication disclaimer

The recipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from award activities shall contain the following statement: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Justice." The recipient also agrees to ensure that any subrecipient at any tier will comply with this condition.

40

Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient (subgrantee) of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor, or subcontractor as

41

Grantee orientation - mandatory attendance

First-time recipients, or continuation recipients if requested, must agree to have key staff members, as identified by OVW, attend the OVW grantee orientation seminar, which may be offered in-person, online, or a combination of both. Additionally, if there is a change in the project director/coordinator during the grant period, the recipient agrees, at the earliest opportunity, to send the new project director/coordinator, regardless of prior experience with this or any other federal award, to an in-person OVW grantee orientation seminar or require completion of the orientation online, whichever is available.

42

Prior approval for non-OVW sponsored technical assistance

The recipient agrees that funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, the recipient must submit a copy of the event's brochure, a curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs. The request must be submitted to OVW at least 20 days prior to registering for the event. Requests to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.

43

Participation in OVW-sponsored technical assistance

The recipient agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to-peer consultations, and workshops conducted by OVW-designated technical assistance providers.

44

Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

45

Prior approval for conference expenditures

The recipient must complete and submit the Department of Justice-Sponsored Conference Request and Report Form to OVW for review and approval prior to entering into any contract (with the exception of logistical or programmatic planning contracts) or expending any funds for any meeting, conference, training, or other event. This includes conferences for which OVW is not the primary source of funding if OVW support will exceed \$20,000.

Logistical conference planning costs

The allowable costs for logistical conference planning are limited to \$50 per attendee, not to exceed a cumulative total of \$8,750. "Attendees" include trainers, instructors, presenters, and facilitators. For example, if the number of attendees at a conference is 100, the cost allowed for a logistical conference planner is \$5,000 (\$50 X 100 attendees). This cost limitation applies whether the recipient is planning in-house or is contracting with an outside logistical conference planner. Indirect cost rates must be applied to conference planning costs in accordance with negotiated agreements and must be included when calculating the planning thresholds. If these limitations are met, no specific justification or prior approval is required. If the recipient expects to exceed these cost limitations, then the recipient must justify the costs in writing and those costs must be approved by OVW before the recipient proceeds with the logistical conference planning.

47

Programmatic conference planning costs

The allowable costs for programmatic conference planning are limited to \$200 per attendee, not to exceed a cumulative cost total of \$35,000. "Attendees" include trainers, instructors, presenters, and facilitators. For example, if the number of attendees at the conference is 100, the cost allowed for a programmatic conference planner is \$20,000 (\$200 X 100 attendees). This cost limitation applies whether the recipient is planning in-house or is contracting with an outside programmatic conference planner. Indirect cost rates must be applied to conference planning costs in accordance with negotiated agreements and must be included when calculating the planning thresholds. If these limitations are met, no specific justification or prior approval is required. If the recipient expects to exceed these cost limitations, then the recipient must justify the costs in writing and those costs must be approved by OVW before the recipient proceeds with the programmatic conference planning.

48

Conference space and audio-visual equipment

Recipients must limit the cost of conference space and audio-visual equipment to \$25 per day per attendee, not to exceed a total of \$20,000 for the conference. "Attendees" include trainers, instructors, presenters, and facilitators. Indirect cost rates must be applied to conference space and audio-visual equipment costs in accordance with negotiated agreements, and must be included when calculating this threshold. If the recipient expects that these limitations will be exceeded, then the recipient must justify the costs in writing and those costs must be approved by OVW before the recipient enters into any contract for the use of conference space and audio-visual equipment.

49

Prohibition on trinkets at conferences

The recipient acknowledges that trinkets (items such as hats, mugs, portfolios, t-shirts, coins, etc., regardless of whether they include the conference name or logo) must not be purchased with funds made available under this agreement. Basic supplies that are necessary for use during the conference (e.g., pens, paper, name tags) may be purchased.

50

Prohibition on entertainment at conferences

The recipient acknowledges that funds made available under this agreement may not be used for costs of entertainment, including amusement, diversion, social activities, and any costs directly associated with entertainment (such as tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities).
