RE: 8th Precinct Shotspotter Data Additional Questions

SUMMARY:

I am submitting a follow up memo on 8th Precinct Shotspotter dated on June 13, 2022. Please provide answers to the following questions, regarding Shotspotter use for the 8th Precinct.

1. How does the Detroit Police Department (DPD) define the Shotspotter area in the 8th precinct? Please provide specifics including, but not limited to, blocks, circumference, etc.
2. How many times were officers dispatched specifically as a result of a Shotspotter notification in the Shotspotter area?
3. Please convey the other initiatives by DPD specifically in the defined Shotspotter area within the 8th Precinct.
4. How many times were convictions made from Shotspotter verified gunfire, specific to Shotspotter area in the 8th Precinct?
5. From those detained, the 21 arrests, is it true that 21 individuals were arrested as a result of Shotspotter hits since the technology was implemented in the 8th precinct?
6. How many times was Shotspotter activated in the defined Shotspotter area in the 8th Precinct?
7. How many times was Shotspotter activated within DPD's defined Shotspotter area in the 8th Precinct?

Please do not hesitate to contact my office if there are any questions. Thank you.
