Honorable City Council:

RE: Petition No. 1416 — Rhoades McKee, request to vacate an alley bisecting a property located south of the intersection of Gratiot Avenue and Dubois Street.

Petition No. 1416 — Rhoades McKee on behalf of MDBA, LLC requesting the vacation and conversion to easement of the north-south public alley, 20 feet wide, in the block of Hendricks Street, 50 feet wide, Gratiot Avenue 120 feet wide, St. Aubin Avenue, variable width, and Dubois Avenue, 50 feet wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The reason for the request is for a parcel combination on both sides of the alley; and for a possible future development.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
