HONORABLE CITY COUNCIL

RE: Neighborhood Enterprise Zone Certificate Applications for the new construction of 23 for-sale townhome units in the North Woodbridge Neighborhood Enterprise Zone area (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received 23 applications requesting Neighborhood Enterprise Zone (NEZ) certificates for the new construction of 23 for-sale townhome units.

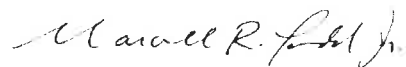

The developer for the project is 1727 Merrick Street Partners, LLC. This LLC consists of Robertson Brothers Homes (based out of metro Detroit since 1945) partnering with Terranovus Development.

The site, which is presently vacant, is in the Woodbridge neighborhood, located at the southwest corner of Merrick and Avery. The 23 townhome units are walk-up units with an attached garage at the rear; the units would each contain 1,600 square feet. Overall, there would be 23 private garage spaces (one in each unit) and 18 surface spaces for guests. In 2021, City Council approved a brownfield plan for the site. Below is a map and site plan for the project.

It appears the NEZ certificate applications have been submitted prior to the issuance of applicable building permits – the NEZ Act (Act 147 of 1992) states the applications must be filed before a building permit is issued. The petitioner submitted NEZ certificate application dated April 26, 2022, to the City Clerk's office.

The subject property has been confirmed as being within the boundaries of the North Woodbridge NEZ which was established by a vote of City Council in February 2004. CPC staff has reviewed the applications and recommends approval. Attached is a resolution for Your consideration. Please contact our office should you have any questions.

Respectfully submitted,

Marcell R. Todd, Jr., Director CPC
