MEMORANDUM

TO: Kim Hall-Wagner, Detroit Human Resources Department
FROM: Mary Sheffield, President, Detroit City Council
DATE: September 29, 2022
RE: Request for Compensation Amendment for Board of Review Director

This request is for an amendment to the compensation range for the Director of the Board of review. The proposed range is \$97,000 - \$146,700, with the market average being \$117,800. A market study was conducted, and this compensation range is based upon external market data and internal analysis. In order to stay competitive in this market, our recommendation is to adjust the pay range to the proposed amounts.
