

## DEPARTMENTAL SUBMISSION

DEPARTMENT: Public Works - City Engineering

FILE NUMBER: Public Works - City Engineering-0240

---

**\* RE:**

Petition No. 935 - The Department of Public Works – City Engineering Division in conjunction with Stroh Companies Inc. and Talon Center Partners, LLC request to dedicate McDougall Avenue from the south line of Wight Street, 50 feet wide, to the south line

**\* SUMMARY:**

McDougall Avenue was an open public right-of-way, 60 feet wide, at this location. At the request of A&B Stroh Companies, Inc. the street was vacated and converted to easement by your Honorable Body on July 30, 1986, J.C.C. pages 1556-1558. The street re-opening and extension to Talon Drive, in this area is made as a part of a project designed to provide enhanced public access to the Detroit Riverwalk. A separate, related resolution for the acceptance of a public access easement located at Joseph Campau Avenue near the Detroit River, drafted by the Law Department, is being submitted by the Department of Public Works.
