Dear Honorable City Council,

The Board of Ethics is strongly advocating filling the City Council vacancy on our Board. On April 16, 2021, Freda S. Sampson, a City Council-appointed Board Member, submitted her resignation. The seat has been vacant for over 18 months. Filling this vacancy will allow the Board of Ethics to effectively meet the duties and responsibilities set forth by the Ethics Ordinance.

Mr. Carron Pinkins, Esq., has expressed interest in filling the vacancy. He is an attorney and managing partner at Pinkins & Pinkins, LLC. His term as Chair of the Wayne County Board of Ethics is set to expire on December 31, 2022. His biography and resume are attached.

Your assistance is greatly appreciated.

Sincerely,

Christal Phillips
Executive Director
