RE: BOARD OF ETHICS VACANCY

---

The Board of Ethics advocates filling the City Council vacancy on our Board as soon as possible.

The Internal Operations Standing Committee received a previous memo from the Board of Ethics recommending Carron L. Pinkins, Esq. to fill the vacancy.

It is requested that the Internal Operations Standing Committee interview Mr. Pinkins and any other recommended candidates from City Council to fill the vacancy at its earliest convenience.

Your assistance is appreciated.

Sincerely,

Christal Phillips  
Executive Director  
Board of Ethics
