

Courageous Inc
Promotes
Black Men Awareness Day

Whereas, Black Men Awareness Day June 17, 2023, is a day we celebrate the great contribution of black men to betterment of Detroit and the state of Michigan

Whereas BMAD Awareness Day serves to promote the greatness of Black men and the role they play to make the community and the family viable

Whereas BMAD Awareness Day is a day when Black men come together to showcase all the positive contribution to the community

Whereas BMAD Awareness Day is an opportunity to encourage other Black men we must come together make the black community a better place to live and prosper

Now, Therefore, -----Mayor or City council do hereby proclaim June 17, 2023, as BMAD Black Men Awareness Day in the city to encourage the citizen to recognize and appalled the black men for their contribution to the Black community
