5.02 Objective 2: Create and maintain coordination among federal, state, local, and tribal law enforcement and prosecution officials; researchers; social service providers; and community members with an emphasis on prevention, tactical intelligence gathering, more vigorous and strategic prosecutions of gun and gang crimes, and enhanced accountability

6. SCOPE OF SERVICE

6.01 Black Family Development, Inc., as the Fiscal Agent for Project Safe Neighborhoods, in collaboration with the Grant Selection committee, has selected the Detroit Police Department (DPD) as a Policing Partner. DPD is the primary law enforcement agency for the City of Detroit and is uniquely positioned to work towards the reduction of incidents of violent crime. DPD, through multiple evidence-based violence reduction programs, has been targeting gang violence for more than a decade and as such, operationally aligned with the gang-set aside requirement. As a result of the work of DPD, Detroit has made considerable progress in reducing gang and gun related violent crime. This work is founded on a collaborative working group comprised of strong law enforcement partnerships that have formed together as a task Force. This Task Force includes the Detroit Police Department, the Wayne County Prosecutor's Office, the Michigan Department of Corrections, the U.S. Attorney's Office-Eastern District of Michigan, and Research Partner Michigan State University. This project has, and will continue to, leverage these partnerships to address the persistent gun violence in a select area of Detroit's 9th Precinct. DPD will continue to implement a three-pronged approach as the foundation for this PSN strategy. This includes the targeted prosecution of known gang members, multi-agency targeted enforcement functions (search warrants, arrest warrant sweeps, traffic enforcement, MDOC compliance checks, etc.), and closely monitoring high-impact offenders that are on

BUREAU OF JUSTICE ASSISTANCE
Violent Gang and Gun Crime Reduction—Project Safe Neighborhoods Grant Program
PERFORMANCE MEASURES

The following pages outline general questions and performance measures for the Bureau of Justice Assistance (BJA) and BFDI *Violent Gang and Gun Crime Reduction (also known as Project Safe Neighborhoods; PSN) Grant Program*.

A PSN evaluation, funded by the National Institute of Justice and conducted by Michigan State University (MSU), found that PSN target cities achieved a 4.1 percent decline in violent crime compared to a 0.9 percent decline in non-target cities and of the PSN sites for which case studies were conducted, 8 out of 10 experienced statistically significant reductions in violent crime, ranging from 2 percent to 42 percent. Key factors for success included U.S. Attorney's Office leadership, cross-agency buy-in, and the flexibility of the program to adjust to the realities of individual jurisdictions.

Drawing on the results of MSU's evaluation, PSN's goal is to reduce gun and gang violence by the most violent individuals in target neighborhoods by employing a research-driven, intelligence-led, and problem-solving approach to reducing firearm and gang violence through enforcement, deterrence, and prevention.

PROGRAM OBJECTIVES

- **OBJECTIVE 1:** Establish and expand evidence-based programming in PSN task forces so that they can effectively and sustainably prevent and respond to gun and gang crime.
- **OBJECTIVE 2:** Create and maintain coordination among Federal, State, local, and tribal law enforcement and prosecution officials; researchers; social service providers; and community members with an emphasis on prevention, tactical intelligence gathering, more vigorous and strategic prosecutions of gun and gang crimes, and enhanced accountability.

STRUCTURE OF THE QUESTIONNAIRE

The *PSN Grant Program* questionnaire contains performance measures and narrative (goals and objectives) questions. Complete the performance measures in the BJA Performance Measurement Tool (PMT) four times per year to report on your activity during the prior 3 months, also known as a reporting period. Complete the goals and objectives questions twice each year.

ROLES AND RESPONSIBILITIES FOR COMPLETION

BJA and BFDI's expectation is that the person completing these questions will know the status and progress of all aspects of your PSN program. Therefore, your agency's PSN coordinator/grantee point of contact (or another designated person with working knowledge of the PSN project) should complete these questions on your PSN initiative's behalf. Your agency should also consult with your research partner and other partner agencies to complete these responses.

PMT REPORTING PERIODS

In July and January of each year, you will be responsible for creating a report from the PMT that you upload into the Grants Management System (GMS). This is the GMS report. During the non submission reporting periods, you are encouraged to create reports for your records, but you will not upload them to the GMS. Enter your responses to the questions that follow in the PMT at <https://bjapmt.ojp.gov>. If you have any questions about the PMT or performance measures, please call BFDI's PSN Program Manager - Kevin Bryant at 313 785-0150 or send an email to kbryant@blackfamilydevelopment.org.

NOTE: Data entry will occur quarterly, with a 30 day submission period following the close of the reporting period.

If you have questions about your program, please contact your State Policy Advisor (SPA) at <https://www.bja.gov/About/Contacts/ProgramsOffice.html>
