RE: MEMORANDUM

DPD EMERGENCY PURCHASE ORDERS

Pursuant to Section 17-5-91 c, The Purchasing Director, without prior approval of the City Council, may make, or authorize others to make, an emergency procurement when public exigencies require the immediate delivery of articles or performance of services or when there exists a threat to public health, welfare, or safety under emergency conditions where prior approval of the City Council would be impossible or impracticable under the circumstances.

The attached list of contracts were authorized by the CPO, as noted, to provide for the purchase of six (6) InstAlert 24 digital signs with the ATS 5 Trailers and ten (10) Evolv dual lane outdoor weapons detection systems. The digital message signs and weapons detection systems will be placed in the Downtown areas of high public traffic and around special events to inform of street closures and curfew requirements and deter illegal firearms pursuant to Chief White's 12-Point Strategy to increase public safety downtown.
