RE: MEMORANDUM

AIR QUALITY MONITORING AND TESTING SERVICES EMERGENCY

Pursuant to Section 17-5-91 c, The Purchasing Director, without prior approval of the City Council, may make, or authorize others to make, an emergency procurement when public exigencies require the immediate delivery of articles or performance of services or when there exists a threat to public health, welfare or safety under emergency conditions where prior approval of the City Council would be impossible or impracticable under the circumstances.

The attached Emergency Standard Purchase Order 3065672 was entered into and granted by the CPO, as noted, to provide Air Quality Monitoring and Testing Services for properties surrounding the FCA/Stellantis Detroit plant location. This is an emergency continuation of air sampling services that started in February 2023. The City of Detroit Buildings, Safety Engineering and Environmental Department determined there is a need for continued air sampling to assure the second regenerative thermal oxidizer, stipulated to be installed before June 20, 2023 is effective. Eight additional air sampling events will continue through August 2023.

CONTRACT	DESCRIPTION	COMPANY NAME	AMOUNT	DATE	BUYER
3065672	Air Quality Monitoring and Testing Services	NTH Consultants, LTD	\$48,000.00	4/26/2023	Elizabeth C. Ayana Johnson
